Solicitation Amendment No. 003 is hereby issued to respond to questions raised during the solicitation period.

- Q1:** Can you expand the Designer's role for the coordination of the furniture for the project? Will the Designer be working directly with the purchaser through PWGSC?
- A1:** The Professional Interior Designer on the consultant's team will work directly with both the PWGSC Procurement Officer and the PWGSC in-house Professional Interior Designer for the coordination of furniture.
- Q2:** Please clarify approximately how much of the furniture is new versus existing and which locations the existing will be coming from.
- A2:** The preliminary estimate is that 50% of the furniture comprised of panel systems with panel hung work surfaces and storage will be new. The remaining 50% of the existing panel systems furniture with panel hung work surfaces and storage will be relocated from present PHAC office at 275 Portage Ave, Wpg, MB to 391 York Ave, Wpg, MB.
- Q3:** For common support areas, will the furniture be new or reused? Will furniture specifications be required, if new? Item 1.2.1.7 (TOR document) discusses the systems furniture only.
- A3:** The existing furniture will be re-located to 391 York Ave, Wpg, MB for use to the largest extent possible. In the event that that new furniture is required, it will be procured using PWGSC mandatory procurement tools (i.e. Consolidated Procurement Instruments) to the largest extent possible and therefore, it will be unlikely that the consultant's Professional Interior Designer will have to produce full furniture specifications. An amendment will be issued with regards to the consultant's scope of work if it is deemed necessary as the project progresses.

If your bid has already been forwarded and you wish to revise the same, this revision should reach the Bid Receiving Unit identified before the closing date. The bid number and closing date are to be clearly identified.
