SOLICITATION AMENDMENT 005

This Solicitation Amendment 005 is issued to:

- 1) Respond to Bidder's Questions;
- 2) Update Annex B - Pricing Tables;

Bidder's Questions and Answers

Questions in relation to this solicitation are being numbered and tracked by PWGSC as they are received. Questions and their responses are being provided, as the response is ready. Bidders are advised that questions and associated responses may be provided out of sequence. As an example, if responses to questions 1, 2, 3 and 5 are ready for issuance, those questions and their responses will be published in a solicitation amendment. The response to question number 4 would then be published at a later date as soon as its response is ready.

Question # 25:

In Annex "B" of the in the Excel Spreadsheet "Shared Conference Services" Tab, line 27 under other related services the following is stated;

"Additional IP port capacity, in increments of 24 ports, as requested by the CRTC (as per SOW 7.1.3.b)"

Is the required Additional Port Capacity on an as and when required basis per port hour? Should it read as follows and be consistent with the other items in the "Other Related Services" section:

Additional IP port capacity, in increments of 24 ports, as and when requested through the Service Desk, per port hour (as per SOW 7.4.3)

Answer # 25:

The pricing for the "Additional IP port capacity, in increments of 24 ports, as requested by the CRTC (as per SOW 7.1.3b)" is not on a per hour basis. The 24 port increment may be ordered on an as and when requested basis (via a formal Contract amendment) in the event that the CRTC requires more dedicated video port capacity than the existing 24 endpoints. The pricing for the 24 port increment will be a monthly charge. The reference to SOW 7.1.3.b is correct as this would be an increase to the On-Demand capacity. See updated Annex B - Pricing Tables - Rev 2 issued with Amendment 005.

2) Update Annex B - Pricing Tables

 - c) The line item for "Hourly Rate for Installation of hardware (as per SOW 7.5)" has been deleted from the "Maintenance Pricing" Tab and inserted into the "Other Related Services" Tab.

Replace Annex B - Pricing Tables (rev 1) with the attached document entitled Annex B- Pricing Tables (rev 2).
