Amendment 004

This amendment is raised to provide a question with answer to suppliers.

Question 1:

We sell two different styles of end tab file boxes, which we have been selling to various government departments for years. One of these is made of 100% recycled material and carbon neutral.

Could I send one of each of these to someone to see if they would be acceptable or preferred to the spec in the tender?

Answer:

Regarding requesting an evaluation of your boxes, please note that Public Works and Government Services Canada (PWGSC) cannot evaluate offers before the Request for Standing Offer (RFSO) closing date and time. PWGSC's mandate is to ensure the procurement process is open, fair and honest and performing evaluation before the RFSO closing date and time could be construed as providing an advantage to offerors requesting such evaluation.

However, in accordance with Part 2, paragraph 3, should you have any questions regarding this solicitation, you can submit all your enquiries in writing to the Standing Offer Authority.

All other terms and conditions remain unchanged.
