This Solicitation Amendment No. One (1) is raised to include the following addendum no 1.

The following addendum to the tender documents is effective immediately. This addendum shall form part of the contract documents.

All other terms and conditions remain the same.

Addendum 1.

1. Drawing C02 - "Pumphouse Site Plan and Water Transmission Main Plan and profile Sta.0+000 - 0+500"

1) Add two (2) x 10 m long 600 mm diameter concrete culverts in the ditches of the proposed access road at the location of the construction road crossing (approximate station 0 +450). Contractor to coordinate with Pomerleau for water main installation and construction of access road across the existing construction road for the expansion project. Any disturbed portions of the construction road are to be reinstated upon completion of the water main crossing and blend to the new access road. Continuous access to the existing construction site for the expansion project is to be maintained during construction of the water main project.

2. APPROVAL OF ALTERNATE MATERIALS
