This amendment is raised to respond to the following questions.

Q-1. Can you please provide copies of the JTAR and the minutes of the Record of Decisions, as neither of these documents were successfully embedded in the PDF.

**A-1. Yes. They will be sent via email to your office email by close of business, 12 Oct 12.**

Q-2. Are all of the hose types expected to be presented in the courseware identified in the TR?

**A-2. Yes**

Q-3. Please clarify the objective of the training: In the SOW it states that the training consists of five hours of theory and eight hours of practical training; however, in section 1.1.3 of the evaluation criteria, one of the success factors states that current course delivery should be reduced by three days. Is this based on the estimate that the content takes four days to teach, when taking into account instructor time and lesson preparation/administration?

**A-3. Yes**

Q-4. Part 7 – Resulting Contract Clauses, section 4.1 states “The period of the contract is from date of contract award to 31 March 2013 inclusive”. However, In Annex A Statement of Work, section 6.1.2, states “Final acceptance of this product must be completed by 1 February 2013”; Please clarify.

**A-4. Final acceptance of this product must be completed by 31 March 2013.**

**All other terms and conditions remain the same.**
