This amendment (1) is raised to make corrections and answer questions and answers from suppliers.

1) At Part 6, B - BID SOLICITATION, section 2.4,

Delete: This limit includes the Goods and Services or Harmonized Sales Tax, delivery and installation charges.

Insert: This limit includes delivery and installation charges.

2) Questions and Answers

Q1 - If I was on the previous SA EN585-100005, must I resubmit all of the documentation for all models I had on the SA?

A1 - No. If you are a previous SA holder under EN585-100005, you do not have to resubmit all of the documentation. A list of the models you wish to be on the SA is all you will need to submit for models listed under SA EN585-100005. For any new models, you must submit all of the documentation required.

Q2- Can a successful supply arrangement holder who is a shredder manufacturer designate a reseller to represent them on a quote request from an Identified User?

A2 - Although SA holders can name their respective representative per region (Annex C), the ensuing contract must be made to the SA holder itself.

Q3- Can a reseller hold a supply arrangement for shredder models from more than one manufacturer?

A3 - Yes

Q4- Must the vendors complete Annex E and G?

A4- No. Annex E is the solicitation document that will be used once the SA is in place. Annex G is the test sheets that La Relance de l'Outaouais use to test the machines.

**All other terms and conditions remain unchanged.**
