Question and Answer Request For Information 5K002-133712

This Amendment No. 001 is raised to answer a question pertaining to the Request For Information 5K002-133712.

Question 1:

We have very little knowledge/experience on the CGC &/or Agriculture or Surety Lines of Business . Firstly, we would need full details on the existing Producer Payment Protection Plan in addition to the proposed changes. We would then pass along that information to our Agriculture experts to establish whether or not they are prepared to consider "participation".

Answer 1:

Information about the Canadian Grain Commission, it's Licensing Program, and Producer Payment Protection is available on the Canadian Grain Commission website. The following links contain comprehensive information about the current program:
