1. Questions and answers 1 to 4

Question.1 Regarding the mandatory technical criterion in section 4.1.1.1 (a), if I total more than 75 hectares or \$100,000 over a number of institutional contracts, not just one, is that okay?

Answer.1 No, each contract submitted to meet this criterion must satisfy the scope and field area requirements, as defined in section 4.1.1.1 (a). Therefore, to answer the above question, a single institutional contract must total 75 hectares or more or exceed \$100,000.

Question.2 Does the contract include the raking of leaves in spring and fall on Gilmour Hill?

Answer.2 , according to sections 3.3.1 and 3.3.2, as modified under amendment 1 below. However, note that spring, summer and fall cleaning of streets and parking areas with a mechanical street sweeper is not covered by this contract.

Question.3 To what amount does bid financial security apply?

Answer.3 Bid financial security applies to the total amount of the bid, that is the two firm years and three optional years.

Question.4 Can the company that is awarded the contract make a public announcement?

Answer.4 As a courtesy, the Government of Canada requests that successful bidders notify the Contracting Authority in advance of their intention to make public an announcement related to the award of a contract.
