**Amendment 001 to Solicitation – Courier Services**

Questions from a bidder with response back from Public Works and Government Services Canada.

**Q1.** It states the number of shipment per year and the weight of the coolers being between 40-60 pounds. I cannot see anywhere how many coolers are shipped per transaction?

**A1.** There could be anywhere from one to twenty coolers per pick up, but most usually there would be from one to ten.

**Q2.** It states in your RFP there is no requirement for a refrigeration truck. I reference page 18 of 21; Your RFP mentioned Toronto on page 17 of 21, but does include this location on page 18 of 21. Is this an error?

Client requires same day service, a refrigeration truck is not required to travel the distance from Ottawa, Trenton Kingston or Montreal. Is this correct?

**A2.** Annex "A" - Requirement will be amended to include Toronto as follows:

**Refer:** Annex "A" - Requirement

- As client requires same day service, a refrigeration truck is not required to travel the distance from Ottawa, Trenton, Kingston or Montreal.

**Delete:** In its Entirety

**Insert:** Refer: Annex "A" - Requirement

- As client requires same day service, a refrigeration truck is not required to travel the distance from Ottawa, Trenton, Kingston, Toronto or Montreal.

**If your tender has already been forwarded and you wish to revise same, this revision should be faxed and reach the bid receiving area before the closing date. The tender number and the closing date are to be shown on the first page of your fax.**
