AMENDMENT 002

In the context of the Fixed Wing Search and Rescue Aircraft Replacement (FWSAR) Project, the purpose of Amendment **002** is to offer industry visits, conditional to the availability of a relevant aircraft product. The FWSAR Secretariat is also publishing a summary table of all the available documents. Copies will be provided upon request to the FWSAR Secretariat at the e-mail address: ARSVF.FWSAR@tpsgc-pwgsc.gc.ca

FWSAR VISITS TO AIRCRAFT MANUFACTURERS

The FWSAR Project Management Office has already visited aircraft manufacturers and is planning two additional visits in September 2012. If your company has an aircraft product that would meet the conditions of the FWSAR Essential Elements version 2.0, please respond before the end of August 2012 to the Letter of Interest by attesting product relevance, and propose a timeframe for the FWSAR project representatives to visit. The FWSAR Secretariat will make the final decision on accepting any invitation. Compliance to the FWSAR Industry Engagement Rules continues to apply during this Industry Engagement phase.
