This amendment is raised to show the mandatory requirements and the milestone payment table proposed for the Request For Proposal to be issued later.

Mandatory Requirements

1. The Bidder must have engineered and supplied comparable refrigeration systems for use in shipboard marine environments within the previous five years
2. The Bidder must have the capability to design, manufacture, system integration, installation and set-to-work of a refrigeration system comparable to this requirement.
3. The Bidder has provided in its proposal a detailed description of the Refrigeration System design characteristics showing that their system meets the technical specifications identified in the SOW and TSOR.
