This amendment is raised to replace Part 2 subsection 1 And the Annex A with the following:

Insert:

PART 2 - OFFEROR INSTRUCTIONS

1. Standard Instructions, Clauses and Conditions

All instructions, clauses and conditions identified in the Request for Standing Offers (RFSO) by number, date and title are set out in the Standard Acquisition Clauses and Conditions Manual issued by Public Works and Government Services Canada (PWGSC). The Manual is available on the PWGSC Website: <http://sacc.pwgsc.gc.ca/sacc/index-e.jsp>.

Offerors who submit an offer agree to be bound by the instructions, clauses and conditions of the RFSO and accept the clauses and conditions of the Standing Offer and resulting contract(s).

The text under Subsection 4 of Section 01 - Code of Conduct and Certifications - Offer of 2006 referenced above is replaced by:

Offerors should provide, with their offer or promptly thereafter, a complete list of names of all individuals who are currently directors of the Offeror. If such a list has not been received by the time the evaluation of offers is completed, Canada will inform the Offeror of a time frame within which to provide the information. Failure to provide such a list within the required time frame will render the offer non-responsive. Offerors must always submit the list of directors before issuance of a standing offer.

Canada may, at any time, request that an Offeror provide properly completed and Signed Consent Forms ([Consent to a Criminal Record Verification form](http://www.tpsgc-pwgsc.gc.ca/app-acq/forms/formulaire-forms-eng.html) - PWGSC-TPSGC 229) (<http://www.tpsgc-pwgsc.gc.ca/app-acq/forms/formulaire-forms-eng.html>) for any or all individuals named in the aforementioned list within a specified delay. Failure to provide such Consent Forms within the delay will result in the offer being declared non-responsive.

The text under Subsection 5 of Section 01 - Code of Conduct and Certifications - Offer of 2006 referenced above is replaced by:

The Offeror must diligently maintain the list up-to-date by informing Canada in writing of any change occurring during the validity period of the Offer, and must also provide Canada, when requested, with the corresponding Consent Forms. The Offeror will also be required to diligently maintain the list and when requested, provide Consent Forms during the period of any standing offer arising from this Request for Standing Offers (RFSO) and any call-ups made against the Standing Offer

ANNEX B

Basis of Payment

The Offeror must submit firm prices, rates or both that will apply for the entire period of the Standing Offer.

The Offeror must submit firm hourly labour rates that will apply to repair activity related to this contract for the entire period of the Standing Offer.

The Offeror must submit a firm mark-up price for contractor/customer furnished materials, e.g. List plus 10%, that will apply for the entire period of the Standing Offer.

The Offeror must submit a firm mark-up price for subcontract repair, e.g. subcontractor's invoice plus 10%, that will apply for the entire period of the Standing Offer.

The price of the offer will be evaluated in Canadian dollars, the Goods and Services Tax or the Harmonized Sales Tax excluded, FCA Free Carrier Contractor's facility Incoterms 2000, Canadian customs duties and excise taxes included.

For Offeror evaluation purposes, the TAP is the arithmetic sum of the elements outlined below.
