**AMENDMENT 001**

The purpose of this amendment is to publish answers in response to questions received regarding this TBIPS SA RFP.

THE FOLLOWING CLARIFICATIONS FORM PART OF THIS TBIPS SA RFP:

**Question 1)** With regards to Evaluation Criteria for I.11 Technology Architect - Solution Architect (Level 3):

As per M-3 the bidder's proposed resource must show proof of a valid SOA certification from a recognized certification agency (e.g. SOASchool, ZapThink, Oracle or IBM).

As an alternate form of proof of SOA expertise, can the crown please confirm that they will accept as equivalent 2 years of experience providing formal SOA training in a classroom environment? This equivalency will ensure recognized experts in the field of SOA that are not certified will be able to bid on this opportunity and thus increase the competitiveness for the crown.

**Answer 1)** No, the mandatory requirement at M-3 for this resource will remain as written.

**Question 2)** With regards to Evaluation Criteria for I.11 Technology Architect - Solution Architect (Level 3):

With respect to the subject solicitation, Mandatory Requirement M-3 asks for proof of a valid SOA certification from a recognized certification agency (eg. SOASchool, ZapThink, Oracle or IBM).

Would the crown consider proof of successful completion and passing of SOA training "Accelerate, Secure and Integrate with IBM WebSphere DataPower SOA Appliances V3.8" from IBM and "Oracle BPEL Process Manager: Services Orchestration" from Oracle as meeting this requirement?

**Answer 2)** No, the mandatory requirement at M-3 for this resource will remain as written.

**ALL OTHER TERMS AND CONDITIONS OF THIS TBIPS SA RFP REMAIN UNCHANGED.**
