Question 2 :

My own research is directly in the areas covered in the solicitation. My colleague and I are quite interested in exploring how our expertise can help DRDC Ottawa in their effort. Is there any hope of extending the deadline on the proposal so we can make an effective case?

Answer 2 :

The Request for Proposal is extended to June 8, 2012. Due to the Workforce Adjustment at DRDC the contract period will be for a period of three years from the date of the contract.
