On June 1, 2013, the MERX contract to provide the Government Electronic Tendering Service (GETS) on behalf of the Government of Canada ends, and GETS officially transitions to Buyandsell.gc.ca/tenders.

To facilitate the transition from MERX to Buyandsell.gc.ca/tenders and ensure that all open tenders, notices, and documents published and managed through the Automated Buyer Environment (ABE) have been completely and successfully migrated to Buyandsell.gc.ca/tenders, a temporary hold on publishing will be put into place.

The last notices published to MERX must be released in ABE before 16:00 on Tuesday May 28, 2013. The ABE feed will resume on Monday June 3. Nothing will be published from ABE to MERX during this period.

The intent of this information is to provide advance notice of an upcoming Request for Proposal (RFP). It is anticipated the RFP will be posted in June 2013 with a tendering period of 40 calendar days.
