Amendment No. 001 is being raised to answer questions during the solicitation period.

The solicitation closing date will remain unchanged.

Q.1. What is the first expected date of delivery?

A.1 The requirement is to establish a Regional Master Standard Offer (RMSO) and as such the delivery schedule will be provided to the successful bidder at time of award.

Q.2. 5.2.4 & 5.2.5 Seating 4 & 5 describes and depicts specific chairs. The requirements and features are specific to these products and limit other bidders from complying. As long as the function is similar please allow for a wider range of sizes and styles to allow for suppliers to submit a bid.

A.2 The specifications for Seat #4 and #5 are open to competition. Refer to Section 2 for a change to the requirement for Seat #5.

Q.3. 5.2.4 & 5.2.5 Seating 4 & 5 are similar in function, yet the curved back requirement in seat 5 would prevent some suppliers from bidding. Please allow for the seat #5 to be the same as seat #4.

A.3 Refer to Section 2.

Q.4. 5.2.4 & 5.2.5 . Our product is similar in function, please indicate if this is acceptable. If not acceptable then we would be prevented from bidding.

A.4 Pre-qualifying of product will not be undertaken prior to bid closing. Refer to A.2 and A.3.

Q.5. 5.2.8.3.1 the requirement for molded FSC wood veneer is limiting the number of suppliers that could bid and provides no functional benefit. Please allow a molded plastic option as in 5.2.8.2.1.

A.5 Seat #8b finish requirement for molded FSC wood veneer is open to competition and as such a molded plastic option is not acceptable.

Q.6. 5.2.9.1.3 would a sled base as optional for seats 8a & 8b be an acceptable alternate to 4 legs?

A.6 No. As specified, Seat #9a & 9b must have 4 legs (rectilinear, square or round)

Q.7. 5.2.11.1.3 the requirement for no legs or visible base is unique to a select group of manufacturers. Our seat has legs, please indicate if this is acceptable.

A.7 Refer to Section 2.

Q.8. 5.3.1.3.1 we supply a screen that is 36"w x 36"d x 51"h, would this be acceptable?

A.8 Refer to Section 2

Q.9. Chair #10. This is a very unique design which limits our ability to bid. Its function is simply that of a cafeteria chair. The aesthetic details specified offers no functional benefit. Please open up this specification to allow other functional options.

A.9 Pre-qualifying of product will not be undertaken prior to bid closing. The specifications for Seat #10 are open to competition.
