This solicitation amendment 005 is raised to amend solicitation and to amend Annex "B" Purchase Description.

1. At PART 6 - RESULTING CONTRACT, Article 14 Shipping Instructions - Delivery at Destination (For Firm quantities);

**Delete: The following;**

- 14.1 The Contractor must ship the goods prepaid DDP - Delivered Duty Paid (as detailed at Annex "A"- Pricing). Unless otherwise directed, delivery must be made by the most economical means. The Contractor is responsible for all delivery charges, administration, costs and risks of transport and customs clearance, including the payment of customs duties and taxes.
- 14.2 The Contractor must deliver the goods by appointment only. The Contractor or its carrier must arrange delivery appointments by contacting the contacts specified in Annex "A"- Pricing. The consignee may refuse shipments when prior arrangements have not been made.
- 14.3 The Cooling Tower module (s) must arrive as single, fully assembled and wired components, on a flatbed trailer. The Sub-Structure legs, sump, and sump hardware shall be shipped on a separate pallet on the same trailer. When provided, Motor Control Panel and/or Basin Heater Panel shall also ship on separate pallet on same trailer.
- 14.4 Upon arrival of Cooling Tower module(s) (prior to any lifting operation), the tower must be inspected on the truck by the Department Representative for general acceptance. Any items of concern related to damage or lifting operations shall be documented and reported (in writing) to the manufacturer's representative.
- 14.5 Prior to lifting and off loading Cooling Tower(s) , all excess water must be removed from basin.
- 14.6 Cooling Tower(s) will be temporarily placed and stored on the ground prior to its final installation. The Cooling Tower(s) shall be stored on sound and level surface. Care shall be taken at all times not to distort or rack the tower modules envelope. Provide temporary weather protection for all material shipped.
- 14.7 Upon delivery to the designated site provide suitable pressure treated wood sleepers for equipment placing and storage on the flat surface.

**Insert: The following;**

- 14.1 The Contractor must ship the goods prepaid DDP - Delivered Duty Paid (as detailed at Annex "A" - Pricing). Unless otherwise directed, delivery must be made by the most economical means. The Contractor is responsible for all delivery charges, administration, costs and risks of transport and customs clearance, including the payment of customs duties and taxes.
- 14.2 The Contractor must deliver the goods by appointment only. The Contractor or its carrier must arrange delivery appointments by contacting the contacts specified in Annex "A" - Pricing. The consignee may refuse shipments when prior arrangements have not been made.
- 14.3 Upon arrival of Cooling Tower module(s) (prior to any lifting operation), the tower must be inspected on the truck by the Department Representative for general acceptance. Any items of concern related to damage shall be documented and reported (in writing) to the manufacturer's representative.
2. At PART 6 - RESULTING CONTRACT, Article 17 Packaging;

**Delete: The following;**

The methods used for preservation and packaging must be in conformity with the Contractor's normal standard for domestic shipment or, if necessary, with standards for overseas shipment as below deck cargo. Provide heavy duty "winterized" shrink wrap for all shipped components.

**Insert: The following;**

The methods used for preservation and packaging must be in conformity with the Contractor's normal standard for domestic shipment or, if necessary, with standards for overseas shipment as below deck cargo.

3. At Annex "B" Purchase Description, revision 2, paragraph 1.3.3;

**DELETE:** Prior to lifting and off-loading Cooling Tower(s), all excess water must be removed from basin.

ALL OTHER TERMS AND CONDITIONS REMAIN THE SAME
