**Question 1** Can you please provide a Word version of the above mentioned solicitation?

**Answer 1** A MS Word version of this solicitation is not available.

**Question 2** Regarding the above noted solicitation, given the amount of resources required to respond and with a view to develop and provide a quality proposal response, we respectfully request a 30 day extension to the bid closing date.

**Answer 2** Operational requirements necessitate the award of this contract as soon as possible. Therefore, Canada is not prepared to extend the closing date at this time.

**Question 3** In regards to the subject solicitation, could you please advise if there is or has there been (within the last 12 months) incumbents performing similar duties as those listed in the SOW of this RFP?

**Answer 3** This solicitation includes services currently being provided under several contracts:

<b>Contract Number</b>	<b>Contractor Name</b>	<b>Contract Value</b>	<b>Contract Period</b>
W6369-11-P5KQ	Coradix	\$1,562,600.00	12 July 2011 - 12 Jan 2013
W8474-10-SP23	Coradix	\$954,560.00	27 May 2010 - 31 Dec 2012
W6369-11-P5LP	LNW	\$1,175,841.00	12 July 2011 - 12 Dec 2012
W8474-10-SP38	MGIS INC., BDMK Consultants INC. in Joint Venture	\$356,250.00	1 March 2010 - 30 Nov 2012

**Question 4** With Regard to the Category of Personnel; are we required to submit all 35 resources at the time of bid closing? If not, how many resources are required at the time of bid closing?

**Answer 4** See "Note:" in ANNEX D EVALUATION CRITERIA. Page 78 of 92. To be more specific, 10 resumes are required, one for each category.

**Question 5** The corporate requirement requires the Bidder to have a \$5M contract with 10 resources on contract simultaneously. Many contracts through TBIPS have a maximum value of \$2M. However, the contracts require 10+ resources simultaneously. Would the Crown consider reducing the value of contracts required in the corporate requirement to \$2M but keep all other requirements the same?

**Answer 5** The Bidder mandatory criterion M1, including the \$5M threshold stated, is deemed necessary in order to evaluate the bidders ability to provide quality resources for a requirement similar in scope and complexity to this requirement. Contracts under \$5 Million would not demonstrate this ability. Canada is not prepared to change this criterion.

**Question 6** As it relates to Annex D Evaluation Criteria, page 78/92, specifically "Definitions" we understand that this project recognizes OpenText eDocs and OpenText Content Server as part of its RDM environment. Will DND consider RDIMS environment as it is comparable to OpenText and will give DND access to a larger, more comprehensive pool of high quality candidates.

**Answer 6** Canada will accept experience with GCDocs, RDIMS, OpenText eDocs or OpenText Content Server as meeting the definition of Records and Document Management (RDM) environment.
