THIS AMENDMENT NUMBER 002 IS RAISED TO RESPOND TO VENDOR'S QUESTIONS:**Q.1**

A) Please identify whether there is or has been in the past, a company or individual performing similar or related work? If so, through which company, what was the contract value and how long were they performing the services under the contract (length of initial contract and any extensions)?

B) Is there currently, or has there been within the past 12 months a contractor or contractors, delivering the services similar to or identical to those services being solicited in this RFP. If so, who are the incumbent contractors, what have been the duration of the contract or contracts and total value for the services provided to date.

A.1

There is presently a Contract in place for a Systems Analyst.

Supplier: The Bell Telephone Company of Canada or Bell Canada.
Value: \$587,950.00
Period: From April 28 2010 to April 30 2012.

Q.2

A) Would like to request that the above mentioned RFP allow for up to 2 contracts to be awarded rather than just one.

B) Can a company only bid one of the two required resources for this RFP?

A.2

Amendment number 001 responds to these requests.

Q.3

Can you please provide a word copy? In particular, for the grids and the SOW

A.3

Unfortunately, a word copy is not available.

Q.4

The bid is currently open to all qualified Tier 2 TBIPS SA holders. Taking into consideration that the RFP is only for two resources, even with the option years the total value should not exceed the Tier 1 dollar threshold. In light of this, would you consider opening this bid up to qualified companies on the Tier 1 TBIPS SA?

A.4

Yes, this requirement is open to all qualified Tier 2 TBIPS SA holders based on an estimated Level of Effort, Contract Period, Option Periods and applicable taxes, using a median of the ceiling rates proposed by all vendors qualified under this category.

ALL OTHER TERMS AND CONDITIONS REMAIN UNCHANGED.
