This amendment is raised to:

1. Delete in its entirety, **Annex A, Item 5 - TRAVEL UNDER THE CONTRACT**, and replace it with the following:

5. TRAVEL UNDER THE CONTRACT

It is anticipated that travel will be required for start-up and close-out meetings, as well as to conduct the surveys of the eleven locations identified in Phase I.

All travel must have prior authorization by the Technical Authority. Depending on the sites, the contractor will be escorted by the Technical Authority, unless stated otherwise. The contractor must identify the frequency, approximate dates, and locations for all anticipated site visits in his workplan. **The Contractor will be responsible for booking travel and accommodations for the Contractor in addition to assuming those costs. The Technical Authority will book travel on their own and will pay for their own travel.** The fixed price and itemization thereof must be based upon estimates generated in consideration of the Government of Canada, Treasury Board Secretariat guidelines:
http://www.tbs-sct.gc.ca/pubs_pol/hrpubs/TBM_113/menu-travel-voyage-eng.asp.
