**THIS AMENDMENT NUMBER TWO (2) IS RAISED TO MAKE THE FOLLOWING CHANGES:****UNDER: INTRODUCTION****DELETE: In its entirety and replace with the following:****Introduction**

Public Works and Government Services Canada (PWGSC) is inviting qualified Turnkey (Design-Build) Bidders to deliver a new Generic Support Building at Stony Mountain Institution, Stony Mountain, Manitoba.

The objective of this RFP is to retain an individual Contractor or Joint Venture to provide the complete design-build (turnkey) work for a Generic Support Building at Stony Mountain Institution. Utilizing a turnkeyservice delivery methodology, a full range of professional consultant and contractor services will be required during both the design and construction phases of the project. The work consists of but is not limited to the design and construction of the building, including site work and service connections. The Project requires design and execution for multiple disciplines carefully coordinated with on-going Institutional operations.

This is a single phase selection process.

This RFP Document sets out the project requirement, i.e., the particulars of the project itself and the broad scope of services required from the Contractor.

Based upon their analysis of the project requirements and the capability/capacity of their firm, the bidders formulate bids for the service, including their price.

The bidders describe their capabilities and proposed services in the "Technical Portion" of the submission (Envelope One). The "Price Portion" includes the proposed price and bid security which is submitted in a sealed envelope (envelope two).

The Technical Portion of competitive bids are evaluated, without knowledge of the price, by the Technical Evaluation Board. Evaluation is based on a set of pre-established criteria, components and weight factors. Numerical technical scores are awarded at the completion of the technical evaluation.

Price envelopes are then opened for the technically qualified proposals. The responsive submission with the lowest price will be recommended for award of the contract.

**ALL OTHER TERMS AND CONDITIONS REMAIN THE SAME**
