## Inventory Summary

Building	Description
National Defence Data Centre (Building 16)	Cooling Tower
National Defence Data Centre (Building 16)	Cooling Tower
National Defence Data Centre (Building 16)	Lighting/Emergency - Battery Wet Type
National Defence Data Centre (Building 16)	Lighting/Emergency - Battery Dry Type
National Defence Data Centre (Building 16)	Air Conditioner Unit (DX)/Split System
National Defence Data Centre (Building 16)	Controls Electric Electronic (30 volts and less)/Building Automation Controls Sy
National Defence Data Centre (Building 16)	Lighting/Emergency - Battery Dry Type
National Defence Data Centre (Building 16)	Distribution Panel
National Defence Data Centre (Building 16)	Transformer
National Defence Data Centre (Building 16)	Transformer
National Defence Data Centre (Building 16)	Freezestat
National Defence Data Centre (Building 16)	Controls, I/P Transducer
National Defence Data Centre (Building 16)	Controls, I/P Transducer
National Defence Data Centre (Building 16)	Disconnect, Isolating Switch
National Defence Data Centre (Building 16)	Damper Motor
National Defence Data Centre (Building 16)	Controls, Duct Static Transmitter
National Defence Data Centre (Building 16)	Controls, Contactor
National Defence Data Centre (Building 16)	Controls, Humidity Transmitter
National Defence Data Centre (Building 16)	Disconnect, Isolating Switch
National Defence Data Centre (Building 16)	Disconnect, Isolating Switch
National Defence Data Centre (Building 16)	Freezestat
National Defence Data Centre (Building 16)	Valve, Control
National Defence Data Centre (Building 16)	Disconnect, Isolating Switch
National Defence Data Centre (Building 16)	Disconnect, Isolating Switch
National Defence Data Centre (Building 16)	Disconnect, Isolating Switch
National Defence Data Centre (Building 16)	Watt Transducer
National Defence Data Centre (Building 16)	Controls, Static Pressure Transmitters
National Defence Data Centre (Building 16)	Fire Stat
National Defence Data Centre (Building 16)	Circuit Breaker, Molded Case
National Defence Data Centre (Building 16)	Circuit Breaker, Molded Case
National Defence Data Centre (Building 16)	Lighting/Emergency - Battery Dry Type

## Inventory Summary

Building	Description
National Defence Data Centre (Building 16)	Controls, Humidity Transmitter
National Defence Data Centre (Building 16)	Controls, Humidity Transmitter
National Defence Data Centre (Building 16)	Panelboard, Lighting and Appliance Branch Circuits
National Defence Data Centre (Building 16)	Panelboard, Lighting and Appliance Branch Circuits
National Defence Data Centre (Building 16)	Panelboard, Lighting and Appliance Branch Circuits
National Defence Data Centre (Building 16)	Panelboard, Lighting and Appliance Branch Circuits
National Defence Data Centre (Building 16)	Transformer
National Defence Data Centre (Building 16)	Cables, Primary and Secondary Feeders
National Defence Data Centre (Building 16)	Cables, Primary and Secondary Feeders
National Defence Data Centre (Building 16)	Cables, Primary and Secondary Feeders
National Defence Data Centre (Building 16)	Cables, Primary and Secondary Feeders
National Defence Data Centre (Building 16)	Cables, Primary and Secondary Feeders
National Defence Data Centre (Building 16)	Controls, Temperature Transmitter
National Defence Data Centre (Building 16)	Controls, Temperature Transmitter
National Defence Data Centre (Building 16)	Controller
National Defence Data Centre (Building 16)	Controller
National Defence Data Centre (Building 16)	Lighting, Interior
National Defence Data Centre (Building 16)	Distribution Panel
National Defence Data Centre (Building 16)	Controls, I/P Transducer
National Defence Data Centre (Building 16)	Disconnect, Isolating Switch
National Defence Data Centre (Building 16)	Distribution Splitter Trough
National Defence Data Centre (Building 16)	Panelboard, Lighting and Appliance Branch Circuits
National Defence Data Centre (Building 16)	Panelboard, Lighting and Appliance Branch Circuits
National Defence Data Centre (Building 16)	Panelboard, Lighting and Appliance Branch Circuits
National Defence Data Centre (Building 16)	Panelboard, Lighting and Appliance Branch Circuits
National Defence Data Centre (Building 16)	Panelboard, Lighting and Appliance Branch Circuits
National Defence Data Centre (Building 16)	Fan, Supply
National Defence Data Centre (Building 16)	Fan, Exhaust
National Defence Data Centre (Building 16)	Starter, Combination
National Defence Data Centre (Building 16)	Starter, Combination
National Defence Data Centre (Building 16)	Humidifier

## Inventory Summary

Building	Description
National Defence Data Centre (Building 16)	Humidifier
National Defence Data Centre (Building 16)	Humidifier
National Defence Data Centre (Building 16)	Humidifier
National Defence Data Centre (Building 16)	Fan Coil Unit
National Defence Data Centre (Building 16)	Fan Coil Unit
National Defence Data Centre (Building 16)	Fan Coil Unit
National Defence Data Centre (Building 16)	Fan Coil Unit
National Defence Data Centre (Building 16)	Fan Coil Unit
National Defence Data Centre (Building 16)	Distribution Panel
National Defence Data Centre (Building 16)	Coil, Reheat
National Defence Data Centre (Building 16)	Starter, Combination
National Defence Data Centre (Building 16)	Humidifier
National Defence Data Centre (Building 16)	Fan Coil Unit
National Defence Data Centre (Building 16)	First Aid Station
National Defence Data Centre (Building 16)	HV Vault, S3C - DND Data Centre
National Defence Data Centre (Building 16)	HV Equipment - DND Data Centre (S3)
National Defence Data Centre (Building 16)	Panelboard, Lighting and Appliance Branch Circuits
National Defence Data Centre (Building 16)	Lighting, Interior
National Defence Data Centre (Building 16)	Electrical Wiring, Modular
National Defence Data Centre (Building 16)	Valve, Control
National Defence Data Centre (Building 16)	Controls, Duct Static Transmitter
National Defence Data Centre (Building 16)	Damper Motor
National Defence Data Centre (Building 16)	Controls, CO2 Sensor
National Defence Data Centre (Building 16)	Controls, Temperature Transmitter
National Defence Data Centre (Building 16)	Controls, Humidity Transmitter
National Defence Data Centre (Building 16)	Valve, Control
National Defence Data Centre (Building 16)	Controls, Temperature Transmitter
National Defence Data Centre (Building 16)	Valve, Control
National Defence Data Centre (Building 16)	Valve, Control
National Defence Data Centre (Building 16)	Controls, Differential Pressure Transmitter
National Defence Data Centre (Building 16)	Controls, Static Pressure Transmitters

## Inventory Summary

Building	Description
National Defence Data Centre (Building 16)	Valve, Control
National Defence Data Centre (Building 16)	Pump
National Defence Data Centre (Building 16)	Electric Motor
National Defence Data Centre (Building 16)	Tank
National Defence Data Centre (Building 16)	Traps and Strainers
National Defence Data Centre (Building 16)	Traps and Strainers
National Defence Data Centre (Building 16)	Pump
National Defence Data Centre (Building 16)	Controls, Pneumatic
National Defence Data Centre (Building 16)	Air Handling Unit
National Defence Data Centre (Building 16)	Traps and Strainers
National Defence Data Centre (Building 16)	Electric Motor
National Defence Data Centre (Building 16)	Electric Motor
National Defence Data Centre (Building 16)	Chiller/Screw
National Defence Data Centre (Building 16)	Fan, Exhaust
National Defence Data Centre (Building 16)	Electric Motor
National Defence Data Centre (Building 16)	Controls, Pneumatic
National Defence Data Centre (Building 16)	Air Compressor
National Defence Data Centre (Building 16)	Electric Motor
National Defence Data Centre (Building 16)	Sprinkler, Automatic, Wet Pipe
National Defence Data Centre (Building 16)	Induction Unit
National Defence Data Centre (Building 16)	Traps and Strainers
National Defence Data Centre (Building 16)	Air Handling Unit
National Defence Data Centre (Building 16)	Disconnect, Main
National Defence Data Centre (Building 16)	Fire Extinguisher, Portable
National Defence Data Centre (Building 16)	Fire Extinguisher, Portable
National Defence Data Centre (Building 16)	Fire Extinguisher, Portable
National Defence Data Centre (Building 16)	Fire Extinguisher, Portable
National Defence Data Centre (Building 16)	Fire Extinguisher, Portable
National Defence Data Centre (Building 16)	Fire Extinguisher, Portable
National Defence Data Centre (Building 16)	Fire Extinguisher, Portable
National Defence Data Centre (Building 16)	Pump

## Inventory Summary

Building	Description
National Defence Data Centre (Building 16)	Fire Extinguisher, Portable
National Defence Data Centre (Building 16)	Fire Extinguisher, Portable
National Defence Data Centre (Building 16)	Tank
National Defence Data Centre (Building 16)	Fire Extinguisher, Portable
National Defence Data Centre (Building 16)	Fire Extinguisher, Portable
National Defence Data Centre (Building 16)	Fire Extinguisher, Portable
National Defence Data Centre (Building 16)	Fire Extinguisher, Portable
National Defence Data Centre (Building 16)	Fire Extinguisher, Portable
National Defence Data Centre (Building 16)	Standpipe and Hoses
National Defence Data Centre (Building 16)	Pump
National Defence Data Centre (Building 16)	Pump
National Defence Data Centre (Building 16)	Unit Heater
National Defence Data Centre (Building 16)	Pump, Fuel
National Defence Data Centre (Building 16)	Heat Exchanger
National Defence Data Centre (Building 16)	Pump
National Defence Data Centre (Building 16)	Traps and Strainers
National Defence Data Centre (Building 16)	Electric Motor
National Defence Data Centre (Building 16)	Traps and Strainers
National Defence Data Centre (Building 16)	Electric Motor
National Defence Data Centre (Building 16)	Fan Coil Unit
National Defence Data Centre (Building 16)	Electric Motor
National Defence Data Centre (Building 16)	Fan Coil Unit
National Defence Data Centre (Building 16)	Electric Motor
National Defence Data Centre (Building 16)	Metering - DND Data Centre (S3CM)
National Defence Data Centre (Building 16)	Air Handling Unit/Electric Heating & Cooling Coil
National Defence Data Centre (Building 16)	Controls, Flow Switch
National Defence Data Centre (Building 16)	Controls, Flow Switch
National Defence Data Centre (Building 16)	Controls, Flow Switch
National Defence Data Centre (Building 16)	Controls, Flow Switch
National Defence Data Centre (Building 16)	Controls, Flow Switch

## Inventory Summary

Building	Description
National Defence Data Centre (Building 16)	Controls, Flow Switch
National Defence Data Centre (Building 16)	Controls, Flow Switch

## Inventory Summary

Building	Description
National Defence Data Centre (Building 16)	Panelboard, Lighting and Appliance Branch Circuits
National Defence Data Centre (Building 16)	Panelboard, Lighting and Appliance Branch Circuits
National Defence Data Centre (Building 16)	Panelboard, Lighting and Appliance Branch Circuits
National Defence Data Centre (Building 16)	Panelboard, Lighting and Appliance Branch Circuits
National Defence Data Centre (Building 16)	Panelboard, Lighting and Appliance Branch Circuits
National Defence Data Centre (Building 16)	Panelboard, Lighting and Appliance Branch Circuits
National Defence Data Centre (Building 16)	Panelboard, Lighting and Appliance Branch Circuits
National Defence Data Centre (Building 16)	Panelboard, Lighting and Appliance Branch Circuits
National Defence Data Centre (Building 16)	Panelboard, Lighting and Appliance Branch Circuits
National Defence Data Centre (Building 16)	Panelboard, Lighting and Appliance Branch Circuits
National Defence Data Centre (Building 16)	Panelboard, Lighting and Appliance Branch Circuits
National Defence Data Centre (Building 16)	Panelboard, Lighting and Appliance Branch Circuits
National Defence Data Centre (Building 16)	Panelboard, Lighting and Appliance Branch Circuits
National Defence Data Centre (Building 16)	Panelboard, Lighting and Appliance Branch Circuits
National Defence Data Centre (Building 16)	Transformer
National Defence Data Centre (Building 16)	Transformer
National Defence Data Centre (Building 16)	Transformer
National Defence Data Centre (Building 16)	Transformer
National Defence Data Centre (Building 16)	Transformer
National Defence Data Centre (Building 16)	Transformer
National Defence Data Centre (Building 16)	Transformer
National Defence Data Centre (Building 16)	Programmable Lighting Control System
National Defence Data Centre (Building 16)	Load Break Switch
National Defence Data Centre (Building 16)	Load Break Switch
National Defence Data Centre (Building 16)	Load Break Switch
National Defence Data Centre (Building 16)	Controls, Duct Static Transmitter
National Defence Data Centre (Building 16)	Controls, Duct Static Transmitter
National Defence Data Centre (Building 16)	Cables, Primary and Secondary Feeders
National Defence Data Centre (Building 16)	Cables, Primary and Secondary Feeders
National Defence Data Centre (Building 16)	Cables, Primary and Secondary Feeders

Travaux publics et  
Services gouvernementaux  
Canada

## Inventory Summary

Building	Description
National Defence Data Centre (Building 16)	Cables, Primary and Secondary Feeders
National Defence Data Centre (Building 16)	Cables, Primary and Secondary Feeders
National Defence Data Centre (Building 16)	Cables, Primary and Secondary Feeders
National Defence Data Centre (Building 16)	Cables, Primary and Secondary Feeders
National Defence Data Centre (Building 16)	Cables, Primary and Secondary Feeders
National Defence Data Centre (Building 16)	Cables, Primary and Secondary Feeders
National Defence Data Centre (Building 16)	Cables, Primary and Secondary Feeders
National Defence Data Centre (Building 16)	Bus Duct
National Defence Data Centre (Building 16)	Bus Duct
National Defence Data Centre (Building 16)	Controls, Temperature Transmitter
National Defence Data Centre (Building 16)	Controls, Temperature Transmitter
National Defence Data Centre (Building 16)	Controls, Temperature Transmitter
National Defence Data Centre (Building 16)	Controls, Temperature Transmitter
National Defence Data Centre (Building 16)	Controls, Temperature Transmitter
National Defence Data Centre (Building 16)	Controls, Temperature Transmitter
National Defence Data Centre (Building 16)	Controls, Temperature Transmitter
National Defence Data Centre (Building 16)	Controls, Temperature Transmitter
National Defence Data Centre (Building 16)	Controls, Temperature Transmitter
National Defence Data Centre (Building 16)	Controls, Temperature Transmitter
National Defence Data Centre (Building 16)	Transfer Switch
National Defence Data Centre (Building 16)	Transfer Switch
National Defence Data Centre (Building 16)	Capacitor
National Defence Data Centre (Building 16)	Capacitor
National Defence Data Centre (Building 16)	Lighting, Interior
National Defence Data Centre (Building 16)	Lighting, Interior
National Defence Data Centre (Building 16)	Lighting, Interior
National Defence Data Centre (Building 16)	Lighting, Interior
National Defence Data Centre (Building 16)	Lighting, Interior
National Defence Data Centre (Building 16)	Lighting, Interior
National Defence Data Centre (Building 16)	Capacitor

## Inventory Summary

Building	Description
National Defence Data Centre (Building 16)	Capacitor
National Defence Data Centre (Building 16)	Capacitor
National Defence Data Centre (Building 16)	Capacitor
National Defence Data Centre (Building 16)	Capacitor
National Defence Data Centre (Building 16)	Capacitor
National Defence Data Centre (Building 16)	Capacitor
National Defence Data Centre (Building 16)	Capacitor
National Defence Data Centre (Building 16)	Starter, Contactor
National Defence Data Centre (Building 16)	Starter, Contactor
National Defence Data Centre (Building 16)	Distribution Panel
National Defence Data Centre (Building 16)	Distribution Panel
National Defence Data Centre (Building 16)	Distribution Panel
National Defence Data Centre (Building 16)	Distribution Panel
National Defence Data Centre (Building 16)	Distribution Panel
National Defence Data Centre (Building 16)	Distribution Panel
National Defence Data Centre (Building 16)	Distribution Panel
National Defence Data Centre (Building 16)	Controls, I/P Transducer
National Defence Data Centre (Building 16)	Controls, I/P Transducer
National Defence Data Centre (Building 16)	Controls, I/P Transducer
National Defence Data Centre (Building 16)	Controls, I/P Transducer
National Defence Data Centre (Building 16)	Controls, I/P Transducer
National Defence Data Centre (Building 16)	Controls, I/P Transducer
National Defence Data Centre (Building 16)	Controls, I/P Transducer
National Defence Data Centre (Building 16)	Controls, I/P Transducer
National Defence Data Centre (Building 16)	Controls, CPU
National Defence Data Centre (Building 16)	Controls, Contactor
National Defence Data Centre (Building 16)	Disconnect, Isolating Switch
National Defence Data Centre (Building 16)	Fan Coil Unit
National Defence Data Centre (Building 16)	Fan Coil Unit
National Defence Data Centre (Building 16)	Fan Coil Unit
National Defence Data Centre (Building 16)	Entrance Steps and Approaches

## Inventory Summary

Building	Description
National Defence Data Centre (Building 16)	Entrance Steps and Approaches
National Defence Data Centre (Building 16)	Drain, Roof
National Defence Data Centre (Building 16)	Drain, Roof
National Defence Data Centre (Building 16)	Drain, Roof
National Defence Data Centre (Building 16)	Drain, Roof
National Defence Data Centre (Building 16)	Drain, Roof
National Defence Data Centre (Building 16)	Controls, Pneumatic
National Defence Data Centre (Building 16)	Controls, Pneumatic
National Defence Data Centre (Building 16)	Controls, Pneumatic
National Defence Data Centre (Building 16)	Controls, Pneumatic
National Defence Data Centre (Building 16)	Controls, Pneumatic
National Defence Data Centre (Building 16)	Controls, Pneumatic
National Defence Data Centre (Building 16)	Controls, Pneumatic
National Defence Data Centre (Building 16)	Controls, Pneumatic
National Defence Data Centre (Building 16)	Controls, Pneumatic
National Defence Data Centre (Building 16)	Coil, Reheat
National Defence Data Centre (Building 16)	Coil, Reheat
National Defence Data Centre (Building 16)	Coil, Reheat
National Defence Data Centre (Building 16)	Coil, Reheat
National Defence Data Centre (Building 16)	Coil, Reheat
National Defence Data Centre (Building 16)	Coil, Reheat
National Defence Data Centre (Building 16)	Coil, Reheat
National Defence Data Centre (Building 16)	Coil, Reheat
National Defence Data Centre (Building 16)	Coil, Reheat
National Defence Data Centre (Building 16)	Coil, Reheat
National Defence Data Centre (Building 16)	Coil, Reheat
National Defence Data Centre (Building 16)	Coil, Reheat
National Defence Data Centre (Building 16)	Coil, Reheat

## Inventory Summary

Building	Description
National Defence Data Centre (Building 16)	Coil, Reheat
National Defence Data Centre (Building 16)	Coil, Reheat
National Defence Data Centre (Building 16)	Coil, Reheat
National Defence Data Centre (Building 16)	Coil, Reheat
National Defence Data Centre (Building 16)	Coil, Reheat
National Defence Data Centre (Building 16)	Coil, Reheat
National Defence Data Centre (Building 16)	Coil, Reheat
National Defence Data Centre (Building 16)	Coil, Reheat
National Defence Data Centre (Building 16)	Coil, Reheat
National Defence Data Centre (Building 16)	Electric Motor
National Defence Data Centre (Building 16)	Electric Motor
National Defence Data Centre (Building 16)	Electric Motor
National Defence Data Centre (Building 16)	Electric Motor
National Defence Data Centre (Building 16)	Electric Motor
National Defence Data Centre (Building 16)	Electric Motor
National Defence Data Centre (Building 16)	Electric Motor
National Defence Data Centre (Building 16)	Electric Motor
National Defence Data Centre (Building 16)	Water Cooler, Unit
National Defence Data Centre (Building 16)	Water Cooler, Unit
National Defence Data Centre (Building 16)	Water Cooler, Unit
National Defence Data Centre (Building 16)	Water Cooler, Unit
National Defence Data Centre (Building 16)	Water Cooler, Unit
National Defence Data Centre (Building 16)	Controls, Electric/Electronic
National Defence Data Centre (Building 16)	Controls, Electric/Electronic
National Defence Data Centre (Building 16)	Tank, Fuel
National Defence Data Centre (Building 16)	Tank, Fuel
National Defence Data Centre (Building 16)	Interceptor Grease or Oil/Grease Trap
National Defence Data Centre (Building 16)	Interceptor Grease or Oil/Grease Trap
National Defence Data Centre (Building 16)	Traps and Strainers
National Defence Data Centre (Building 16)	Traps and Strainers
National Defence Data Centre (Building 16)	Traps and Strainers

## Inventory Summary

Building	Description
National Defence Data Centre (Building 16)	Traps and Strainers
National Defence Data Centre (Building 16)	Traps and Strainers
National Defence Data Centre (Building 16)	Traps and Strainers
National Defence Data Centre (Building 16)	Traps and Strainers
National Defence Data Centre (Building 16)	Traps and Strainers
National Defence Data Centre (Building 16)	Traps and Strainers
National Defence Data Centre (Building 16)	Traps and Strainers
National Defence Data Centre (Building 16)	Traps and Strainers
National Defence Data Centre (Building 16)	Traps and Strainers
National Defence Data Centre (Building 16)	Tank, Pressure
National Defence Data Centre (Building 16)	Tank, Pressure
National Defence Data Centre (Building 16)	Starter, Contactor
National Defence Data Centre (Building 16)	Starter, Combination
National Defence Data Centre (Building 16)	Starter, Combination
National Defence Data Centre (Building 16)	Starter, Combination
National Defence Data Centre (Building 16)	Starter, Combination
National Defence Data Centre (Building 16)	Starter, Combination
National Defence Data Centre (Building 16)	Starter, Combination
National Defence Data Centre (Building 16)	Starter, Combination
National Defence Data Centre (Building 16)	Starter, Combination
National Defence Data Centre (Building 16)	Starter, Combination
National Defence Data Centre (Building 16)	Starter, Combination
National Defence Data Centre (Building 16)	Starter, Combination
National Defence Data Centre (Building 16)	Sprinkler, Automatic, Wet Pipe
National Defence Data Centre (Building 16)	Pump
National Defence Data Centre (Building 16)	Pump
National Defence Data Centre (Building 16)	Pump
National Defence Data Centre (Building 16)	Piping and Valves
National Defence Data Centre (Building 16)	Humidifier
National Defence Data Centre (Building 16)	Humidifier

[illegible]

## Inventory Summary

Building	Description
National Defence Data Centre (Building 16)	Fire Alarm System/General
National Defence Data Centre (Building 16)	Fan Coil Unit
National Defence Data Centre (Building 16)	Fan Coil Unit
National Defence Data Centre (Building 16)	Fan Coil Unit
National Defence Data Centre (Building 16)	Fan Coil Unit
National Defence Data Centre (Building 16)	Fan Coil Unit
National Defence Data Centre (Building 16)	Fan Coil Unit
National Defence Data Centre (Building 16)	Fire Extinguisher, Portable
National Defence Data Centre (Building 16)	Fire Extinguisher, Portable
National Defence Data Centre (Building 16)	Fire Extinguisher, Portable
National Defence Data Centre (Building 16)	Fire Extinguisher, Portable
National Defence Data Centre (Building 16)	Fire Extinguisher, Portable
National Defence Data Centre (Building 16)	Fire Extinguisher, Portable
National Defence Data Centre (Building 16)	Fire Extinguisher, Portable
National Defence Data Centre (Building 16)	Unknown
National Defence Data Centre (Building 16)	Fire Extinguisher, Portable
National Defence Data Centre (Building 16)	Fire Extinguisher, Portable
National Defence Data Centre (Building 16)	Fire Extinguisher, Portable
National Defence Data Centre (Building 16)	Unknown
National Defence Data Centre (Building 16)	Unknown
National Defence Data Centre (Building 16)	Unknown
National Defence Data Centre (Building 16)	Unknown
National Defence Data Centre (Building 16)	Fire Extinguisher, Portable
National Defence Data Centre (Building 16)	Fire Extinguisher, Portable
National Defence Data Centre (Building 16)	Fire Extinguisher, Portable
National Defence Data Centre (Building 16)	Unknown
National Defence Data Centre (Building 16)	Fire Extinguisher, Portable
National Defence Data Centre (Building 16)	Fire Extinguisher, Portable
National Defence Data Centre (Building 16)	Unknown
National Defence Data Centre (Building 16)	Unknown

## Inventory Summary

Building	Description
National Defence Data Centre (Building 16)	Unknown
National Defence Data Centre (Building 16)	Unknown

National Defence Data Centre (Building 16)	Unknown

## Inventory Summary

Building	Description
National Defence Data Centre (Building 16)	Unknown
National Defence Data Centre (Building 16)	Unknown
National Defence Data Centre (Building 16)	Pump, Sump
National Defence Data Centre (Building 16)	Pump, Sump
National Defence Data Centre (Building 16)	Pump, Sump
National Defence Data Centre (Building 16)	Lighting/Emergency - Battery Dry Type
National Defence Data Centre (Building 16)	Unknown
National Defence Data Centre (Building 16)	Fire Extinguisher, Portable
National Defence Data Centre (Building 16)	Circuit Breaker
National Defence Data Centre (Building 16)	Circuit Breaker
National Defence Data Centre (Building 16)	Circuit Breaker
National Defence Data Centre (Building 16)	Fire Extinguisher, Portable
National Defence Data Centre (Building 16)	Emergency Generator System
National Defence Data Centre (Building 16)	Unknown
National Defence Data Centre (Building 16)	Fire Extinguisher, Portable
National Defence Data Centre (Building 16)	Fire Extinguisher, Portable
National Defence Data Centre (Building 16)	Unknown
National Defence Data Centre (Building 16)	Unknown
National Defence Data Centre (Building 16)	Floor Drain
National Defence Data Centre (Building 16)	Unknown
National Defence Data Centre (Building 16)	Unknown
National Defence Data Centre (Building 16)	Unknown
National Defence Data Centre (Building 16)	Disconnect, Isolating Switch
National Defence Data Centre (Building 16)	Disconnect, Isolating Switch
National Defence Data Centre (Building 16)	Disconnect, Isolating Switch
National Defence Data Centre (Building 16)	Unit Heater
National Defence Data Centre (Building 16)	Unit Heater
National Defence Data Centre (Building 16)	Pump
National Defence Data Centre (Building 16)	Unknown
National Defence Data Centre (Building 16)	Unknown
National Defence Data Centre (Building 16)	Unknown

## Inventory Summary

Building	Description
National Defence Data Centre (Building 16)	Humidifier
National Defence Data Centre (Building 16)	Fire Dampers and Fire Stop Flaps
National Defence Data Centre (Building 16)	Fan Coil Unit
National Defence Data Centre (Building 16)	Unknown
National Defence Data Centre (Building 16)	Standpipe and Hoses
National Defence Data Centre (Building 16)	Fan, Exhaust
National Defence Data Centre (Building 16)	Electric Motor
National Defence Data Centre (Building 16)	Disconnect, Isolating Switch
National Defence Data Centre (Building 16)	Disconnect, Isolating Switch
National Defence Data Centre (Building 16)	Disconnect, Isolating Switch
National Defence Data Centre (Building 16)	Disconnect, Isolating Switch
National Defence Data Centre (Building 16)	Disconnect, Isolating Switch
National Defence Data Centre (Building 16)	Chiller
National Defence Data Centre (Building 16)	Air Handling Unit
National Defence Data Centre (Building 16)	Distribution Splitter Trough
National Defence Data Centre (Building 16)	Fire Extinguisher, Portable
National Defence Data Centre (Building 16)	Unknown
National Defence Data Centre (Building 16)	Roof Drain
National Defence Data Centre (Building 16)	Circuit Breaker
National Defence Data Centre (Building 16)	Lighting/Emergency - Battery Dry Type
National Defence Data Centre (Building 16)	Unknown
