## Amendment 002

This solicitation amendment 002 is raised to answer Bidder's questions and to modify the Request for Proposal EN891-130776/A.:

### Questions

**Question 1:** In order to provide us with sufficient time to respond to the RFP, including the enhanced Information Technology Security Requirements in Attachment 1 to Annex C pages 1-71, we request an extension to the closing date to January 15, 2013.

**Answer 1:** The solicitation closing date is changed to January 15th 2013. Demonstration of compliance with the Baseline and applicable Supplemental requirements identified in Attachment 1 to Annex C- "Information Technology Security Requirements (ITSR)" will be done at Canada's request after contract award.

**Question 2:** Given that bidders are Federally regulated Financial Institutions under the Bank Act, and are publically traded companies we do not believe the disclosure required under Part 5 Section 1.1 and Part 7 Section 2.1 is practical. We are requesting this to be removed from the RFP.

**Answer 2:** On July 11, 2012, the Minister of Public Works and Government Services Canada (PWGSC) announced additional measures, effective immediately, to strengthen the integrity of the procurement process at PWGSC. See the news release at news.gc.ca entitled Harper Government Takes Action to Crack Down on Corruption. As a result of that news release, the strengthening accountability in procurement measures apply to all PWGSC solicitations and contracts.

Please be advised that since the new measures came in effect, PWGSC is to enter into contract with entities who agree to comply with these new measures as outlined in the solicitation including the general conditions 2035 (2012-11-19 or latest version) which will form part of the resulting contract.

Please note that the new measures apply to the Federally regulated Financial Institutions under the Bank Act and publically traded companies.

As the integrity of the procurement process is in the best interests of all, the buyer as well as all of the sellers, we are counting on your collaboration. By taking these steps, you will also be contributing to the transparency and accountability of procurements made on behalf of all Canadian citizens

### Modifications

#### 1. In Table of Contents - Part 5 - Certifications

**Delete:** 1. Code of Conduct Certifications - Certifications Required Precedent to Contract Award

**Insert:** 1. Mandatory Certifications Required Precedent to Contract Award

#### 2. In section 1 of Part 2 - Bidder Instructions

**Delete:** The text under Subsection 4 of Section 01 - Code of Conduct and Certifications - Bid of 2003 referenced above is replaced by:

Bidders should provide, with their bid or promptly thereafter, a complete list of names of all individuals who are currently directors of the Bidder. If such a list has not been received by the time the evaluation of bids is completed, Canada will inform the Bidder of a time frame within which to provide the information. Failure to provide such a list within the required time frame will render the bid non-responsive. Bidders must always submit the list of directors before contract award.

Canada may, at any time, request that a Bidder provide properly completed and Signed Consent Forms (Consent to a Criminal Record Verification form - PWGSC-TPSGC 229) (<http://www.tpsgc-pwgsc.gc.ca/app-acq/forms/formulaire-forms-eng.html>) for any or all individuals named in the aforementioned list within a specified delay. Failure to provide such Consent Forms within the delay will result in the bid being declared non-responsive.

The text under Subsection 5 of Section 01 - Code of Conduct and Certifications of 2003 referenced above is replaced by:

The Bidder must diligently maintain the list up-to-date by informing Canada in writing of any change occurring during the validity period of the bid, and must also provide Canada, when requested, with the corresponding Consent Forms. The Bidder will also be required to diligently maintain the list and when requested, provide Consent Forms during the period of any contract arising from this bid solicitation.

### 3. Under Part 5 - Certifications

**Delete:** Bidders must provide the required certifications to be awarded a contract. Canada will declare a bid non-responsive if the required certifications are not completed and submitted as requested. Bidders should provide the required certifications in Section III of their bid.

Compliance with the certifications bidders provide to Canada is subject to verification by Canada during the bid evaluation period (before award of a contract) and after award of a contract. The Contracting Authority will have the right to ask for additional information to verify bidders' compliance with the certifications before award of a contract. The bid will be declared non-responsive if any certification made by the Bidder is untrue, whether made knowingly or unknowingly. Failure to comply with the certifications or to comply with the request of the Contracting Authority for additional information will also render the bid non-responsive.

#### 1. Code of Conduct Certifications - Certifications Required Precedent to Contract Award

- 1.1** Bidders should provide, with their bid or promptly thereafter, a complete list of names of all individuals who are currently directors of the Bidder. Bidders must submit the list of directors before contract award, failure to provide such a list within the required time frame will render the bid non-responsive.
