Amendment No. 004

This amendment is being raised to: 1) make revisions to the Submission Requirements and Evaluation (SRE) 3.2.4 and 3.2.5 sections of the RFSO and 2) provide responses to Requests for Clarification.

1) Revision to Submission Requirements and Evaluation (SRE)

i) Revision to 3.2. RATED REQUIREMENTS - 3.2.4 Senior Personnel Expertise and Experience:

Delete:

3.2.4 Senior Personnel Expertise and Experience

1. *What we are looking for:*
A demonstration that the Proponent has senior personnel in-house with the capability, capacity and expertise in each area listed in the Required Services (RS) section.
2. *What the Proponent should provide: (approximately two (2) pages **per** senior personnel)*
 - (a) submit a maximum of six (6) c.v.'s of senior personnel. It is up to the Proponent to decide how the team is made up. The suggested breakdown is: Electrical engineer (3 c.v.'s), Architect (1 c.v.), Mechanical engineer (1 c.v.) And Structural Civil engineer (1 c.v.). Each curriculum vitae should clearly indicate the years of experience the senior personnel has in the provision of the services specified in the Required Services (RS) section; and
 - (b) Identify the personnel's years of experience, the number of years with the firm; and
 - (c) professional accreditation; and
 - (d) accomplishments/achievements/awards.

2) Requests for Clarification

Q1: Reference Hypothetical Project 2 noted on page 70 of 99 of the RFSO document. We are seeking confirmation of the scope of the architectural services to be included in this project. The services that are required are stated as "design of new distribution for HVAC, lighting layout, power distribution, security, communication and fire protection systems." There is no mention of the architectural scope for our services to be included for this project. Is the proponent to also include the architectural approach and methodology for the new floor layout or are we to assume that this would be handled by a third party architect?

A1: As indicated in the RFSO we are seeking electrical engineering services and also associated architectural services as required for a project. These architectural services may be available in-house or as a sub consultant. Hypothetical project is expected to include these services for a complete project as required.

Q2: Item 3.2.4 Senior Personnel Expertise and Experience and Item 3.2.5 Project Personnel Expertise and Experience | Sub Item 2. (a)

Does the maximum of six (6) c.v.'s of senior and project personnel refer only to electrical representatives, or to all disciplines included in the cost tables, which also encompass architect, mechanical and structural civil?

A2: Refer to Amendment 003, R5.

Q3: Regarding Amendment No. 3 - 3.2 Rated Requirements 3.2.4 Senior Personnel Expertise and Experience - Our firm specializes in mechanical and electrical engineering services, are we able to utilize outside structural and architectural specialists on our Consultant Team?

A3: Yes. Refer to above **1) (i) Revision to 3.2 RATED REQUIREMENTS - 3.2.4 Senior Personnel Expertise and Experience and (ii) Revision to 3.2 RATED REQUIREMENTS - 3.2.5 Project Personnel Expertise and Experience**

All other terms and conditions remain the same.
