**TITLE:** LMS Virtual.Lab Motion Model Validation, Suffield, Alberta

This amendment #001 is raised to modify solicitation W7702-135604/B as follows:

**Question 1:** Can you tell us why a retender was issued? Was no successful bid submitted?

**Answer 1:** A retender is required as there were no responsive bids received from the original tender, W7702-135604/A.

**Question 2:** Can you tell us if and how the retender has been modified?

**Answer 2:** Areas within the retender solicitation document have been bolded for better clarity. The Basis of Selection wording has been slightly modified to provide further clarity for this section.

All bidders should pay particular attention to the mandatory and point rated technical criteria in Annex "F".

If your proposal has already been submitted, you may wish to revise it. Revisions to your proposal must be submitted in a sealed envelope with the contents clearly identified on the outside of the envelope. Any revisions to your proposal must be received by the Bid Receiving Unit on or before the time and date stated on page 1 of this document. Any revisions to your proposal received after the closing date and time will be considered late and will be returned unopened.

ALL OTHER TERMS AND CONDITIONS SHALL REMAIN THE SAME.
