Amendment 002 is raised to:

Respond to question(s) raised by the industry:

No.	Question	Response
1	Would the Crown please extend the RFI due date to May 29, 2012 to encourage the capability for more vendors to respond? Given the typical MERX item is available for 40 days, an extension to the submission date would be very much appreciated	This is a Request for Information and not a bid solicitation document. Canada would like Respondents to respond to questions listed in Article A.7. It is not mandatory to respond to each and every criteria listed in Appendix A, and Respondents can choose to comment on any criteria of particular interest. Canada would like to conduct one-on-one sessions with Respondents in May 2012. No extension will be granted.
