AMENDMENT 007

Fixed-Wing Search and Rescue Aircraft Replacement (FWSAR) Project

Introduction

The purpose of this amendment (**007**) is to continue to share updated information as part of the Industry Engagement Strategy for the Fixed Wing Search and Rescue Aircraft Replacement (FWSAR) Project. The intent of this amendment is to provide Industry with the draft Statement of Operating Intent (SOI) document.

FWSAR STATEMENT OF OPERATING INTENT (SOI) DOCUMENT

The draft Statement of Operating Intent (SOI) describes how the Government of Canada intends to operate the new Fixed Wing Search and Rescue Aircraft Replacement (FWSAR) weapon system. It should be noted that the SOI should be read in conjunction with the Statement of Support Intent (SSI), which was provided to the industry at Amendment 006 to this Letter of Interest (LOI). The SOI is intended as a high-level guidance document on the conceptual operations for the FWSAR aircraft..

Although the document is provided for information purpose only, Canada would very much appreciate feedback if any inconsistencies and/or contradictions in the document is observed by Industry.

To reach the FWSAR Secretariat or to receive a copy of this document, please write to the FWSAR Secretariat at: ARSVF.FWSAR@tpsgc-pwgsc.gc.ca
