Please find following Amendment 002, (Addendum No. 1).

All other terms and conditions remain unchanged.

This Amendment 002, (Addendum No. 1) is raised to provide clarifications in the tender documents.

Q1.) Re: Amendment #1, 3.1 Can we supply this information a few days to 1 week after we are accepted as the low bidder to be contracted with on this project?

A1.) This information can be supplied to the Contracting Authority within 2-5 business days after bid closing at the request of the Contracting Authority.

Q2.) Drawing C01, Note shows 10 meter sections of crane rails that have to be removed and reset as part of the work beyond station 2+12, but this area is not shown with a dark line as part of the scope of work, please clarify.

A2.) The dark line is for clarity to identify the area of new work to be completed. The note "150 TONNE CRANE RAILS (REFURBISHMENT UNDER PRIOR CONTRACT) REMOVE AND REINSTALL 1 RAIL (+ 10m) AS REQ'D FOR REALIGNMENT OF REMAINING CRANE RAILS" is a valid contract requirement. This was not made bold for clarity.

NOTE: Drawing C01 "150 TONNE CRANE RAILS (REFURBISHMENT UNDER PRIOR CONTRACT) SURVEY AS SPECIFIED RAILS FROM STN 0+00 TO STN 2+12" is also a vital contract requirement and has not been bold for clarity. Bidders are to carry this cost with their submission.

End of Addendum No. 1
