### AMENDMENT 003

The purpose of this amendment is to publish answers in response to questions received regarding this TBIPS SA RFP.

#### THE FOLLOWING CLARIFICATIONS FORM PART OF THIS TBIPS SA RFP:

**Question 1)** We are requesting that the 2 Application Architects be re-classified to A.5 ERP Technical Analyst or A.4 ERP System Analyst. As per the TBIPS definition of an Application Architect, the resource is intended for the analyzing and evaluating of alternative technology solutions, and is geared to a more generic Application/Software Architect. Specialties listed do not include PeopleSoft. The actual grid for the two resources contains three mandatory's; all ERP, PeopleSoft specific. All eleven rated requirements are very specific to PeopleSoft as well. Since both resources are clearly pure PeopleSoft ERP specialists, we respectfully ask that these two positions be re-classified to A.5 ERP Technical Analyst or A.4 ERP Systems Analyst.

**Answer 1)** The Crown believes that the A.1 Application/Software Architect category is the best fit given the architectural tasks as defined in Annex A - Statement of Work for this position. Further, TBIPS states that, "Specialties could include but are not limited to" those listed. This requirement will remain as written.

**Question 2)** With respect to solicitation G9067-120003/A – PeopleSoft Security Architecture, we respectfully request an extension of 5 business days, to August 14th, 2012. The requirements provided by the Crown are quite lengthy and complex, and therefore will require more time than is typical to develop a proposal. This challenge has been further exacerbated by many individuals taking additional vacation around the August long weekend.

**Answer 2)** Unfortunately, an extension would negatively impact the schedule for this project so the closing date remains August 7, 2012. However, please note that we have granted an extension to another solicitation, G9067-120003/B – Technology Architect, that was due on the same day in order to allow bidders to focus on their response for this RFP.

**ALL OTHER TERMS AND CONDITIONS OF THIS TBIPS SA RFP REMAIN UNCHANGED.**
