

PART 1 - GENERAL

- |                                |    |  |
|--------------------------------|----|--|
| <u>1.1 Precedence</u>          | .1 | For Federal Government projects, Division 1 Sections take precedence over technical specification sections in other Divisions of this Project Manual.        |
|                                |    |  |
| <u>1.2 Related Section</u>     | .1 | Section 01 77 00 - Closeout Procedures.  |
|                                |    |  |
| <u>1.3 Project Cleanliness</u> | .1 | Maintain Work in tidy condition, free from accumulation of waste products and debris, including that caused by Owner or other Contractors.                   |
|                                | .2 | Remove waste materials from site at regularly scheduled times or dispose of as directed by Departmental Representative. Do not burn waste materials on site. |
|                                | .3 | Make arrangements with and obtain permits from authorities having jurisdiction for disposal of waste and debris.   |
|                                | .4 | Provide on-site containers for collection of waste materials and debris.   |
|                                | .5 | Provide and use clearly marked separate bins for recycling.  |
|                                | .6 | Remove waste material and debris from site and deposit in waste container at end of each working day.  |
|                                | .7 | Store volatile waste in covered metal containers, and remove from premises at end of each working day.   |
|                                | .8 | Dispose of waste materials, and debris off site at approved facilities.  |
|                                |    |  |
| <u>1.4 Final Cleaning</u>      | .1 | When Work is Substantially Performed, remove surplus products, tools, construction machinery and equipment not required for performance of remaining Work.   |
|                                | .2 | Remove waste products and debris other than that caused by others, and leave Work clean and suitable for occupancy.  |
|                                | .3 | Prior to final review, remove surplus products, tools, construction machinery and equipment.   |
|                                | .4 | Remove waste materials from site at regularly scheduled times or dispose of as directed by Departmental Representative. Do not burn waste materials on site. |

- .5 Make arrangements with and obtain permits from authorities having jurisdiction for disposal of waste and debris.
- .6 Broom clean and wash exterior walks, steps and surfaces; rake clean other surfaces of grounds.
- .7 Remove dirt and other disfiguration from exterior surfaces.
- .8 Sweep and wash clean paved areas.
