

Question 3

Please provide a more specific breakdown of the Evaluation Criteria (Appendix B – 7.2 Evaluation Table, page 41 of the RFP). For example, if a candidate has nine (9) years of experience in progressively responsible positions in IT, how would CMHC score this candidate on that particular criteria?

Response:

Please see response to Question 2.

Question 4:

Are criteria 7 – 10 going to be evaluated in the interview stage as there is no Upset Score provided?

Response:

Please note the information contained in Section 5.4

The proponents that meet all the required criteria and achieve a minimum score of 465 will be shortlisted. CMHC may, at its sole discretion, further shortlist to a maximum of 5 proposals based on the top scores, in order to conduct interviews.

Question 5:

How will CMHC determine which candidates will receive interviews? Additionally, what is the interview evaluation based on?

Response:

Please note response to Question 4.

The interview will be composed of both technical and behavioural based questions. A written test may be administered to complete the analysis.
