

Question 1:

Section 4.7 states a Mandatory requirement:

“The proponent must provide a list of three recent contracts of similar size and scope which the proponent currently holds or has held in the past 24 months, thusly:”

If the proponent has been engaged in a single project of similar size and scope for the entire 24 month period does this still meet this mandatory requirement or does the proponent have to have multiple (3) simultaneous projects over the 24 months period?

Response:

The amount of experience (24 months) is what we are looking for, not a high quantity in projects. If the proponent has only one project, then enter that project.
