Please find Addendum No. 1 herein.

All other terms and conditions remain unchanged.

This Amendment 001 (Addendum No. 1) is raised to provide clarifications to questions received.

Q1.) Work schedule: The current contract has a completion date of August 31,2013 would Public Works consider extending this until September 15, 2013?

A1.) Yes, it could be extended to September 15, 2013 as the contractor is responsible for the Pavement Markings. We don't want to go past that date of September 15th.

Q2.) Pavement Markings: Is the contractor required to place only temporary pavement marking tabs on the micro-surfacing or are we required to paint the entire project upon completion?

A2.) Paint the entire project upon completion. (Centerline and Fog Lines)
