### Response 12

Please refer to response 10. All bid are to be sent to [EBID@cmhc-schl.gc.ca](mailto:EBID@cmhc-schl.gc.ca) as per instruction at p.3

### Question 13

There is no tender acceptance period listed. What is the tender acceptance period?

### Response 13

The terms of the response including the pricing proposal, shall remain valid and binding on the contractor for a period of sixty (60) days following the closing date.

### Question 14

Re: Unit prices: Please clarify what you mean by unit price.

### Response 14

Please refer to response 1 issued on June 27, 2013; if a contractor is including all inclusive cost in action A and B, please list this section as not applicable (n/a).

### Question 15

At page 10 we are required to fill in: Complete within \_\_\_\_\_ days of award. It was specified that the work cannot start until September. Since there will be a delay between the contract award date and the construction start date, please clarify the information required.

### Response 15

Please replace Complete within \_\_\_\_\_ days of **award** by Complete with \_\_\_\_\_ days of **Construction Start**.

### Question 16

What exactly constitutes a complete tender? The index p.2 calls the tender as pages 7-13, it seems like it should be pages 8-14.

### Response 16

Please note that there was a typographical error. The pages to be returned are pages 8 to 14.

### Question 17

What is page 15?

### Response 17

Page 15 makes reference to the Drawings and Specifications attached to the ITT. The Drawings and Specifications were issued on Buyandsell on June 10, 2013.

### Question 18

Re: Amendment 2. Will CMHC issue a replacement page for the modified page 9? Or should a contractor fill in the amendment 2 page and cross out the appropriate section in the existing tender form?

### Response 18

The contract should fill in the amended section and cross out the original
