Amendment #003 is raised to revised the following for F2930-130001/A

1) Documents listed in Appendix B available (ATT 001, 002, 003, 004):

Existing documentation / Reports

Wheatley Harbour Sedimentation Study - March 2003 - *Shoreplan Engineering Limited* (**ATT 001**)

Wheatley Harbour Design Assessment - March 2006 - *Shoreplan Engineering Limited* (**ATT 002**)

Wheatley Harbour Dredging and Sand Bypassing Assessment - March 2008 - *Shoreplan Engineering Limited* (**ATT 003**)

Maintenance Dredging at Wheatley Harbour - February 2009 - *Shoreplan Engineering Limited* (**ATT 004**)

Sustainable Management Strategy for Southeast Leamington - Phase 2 Report - April 2007 - *W.F. Baird & Associates* - **Available after contract award.**

2) Questions from proponents:

Q1: Section 3.1.1 indicates that the "proponent or prime consultant" be a "coastal engineer, fluvial geomorphologist or sediment management scientist". Does this refer to the company/team or the individual that will be leading the project?

A1: This refers to the individual that will be leading the project

Q2: Also in section 3.1.1, it is indicated that "the prime consultant indicate current license and/or how you intent to meet the provincial or territorial licensing requirements". Does this refer to the company license or that the coastal lead should be a P. Engineer?

A2: At SRE 3 - Submission Requirements and Evaluation - 3.1.1 Consultant Team Identification

Delete:

Information required - name of firm, key personnel to be assigned to the project. For the prime consultant indicate current license and/or how you intend to meet the provincial or territorial licensing requirements. In the case of a joint venture identify the existing or proposed legal form of the joint venture (refer to R1410T General Instructions to Proponents, GI9 Limitation of Submissions).

Insert:

Information required - name of firm, key personnel to be assigned to the project. In the case of a joint venture identify the existing or proposed legal form of the joint venture (refer to R1410T General Instructions to Proponents, GI9 Limitation of Submissions).

Q3: Section 3.2.1 indicates to "describe the proponent's accomplishments, achievements and experience as prime consultant on projects". Again, does this refer to the company or the individual that will be leading the project? In case that it refers to an individual, these 3 projects would need to have been performed (as prime consultant) by the coastal lead, rather than by the company, correct?

A3: This refers to the individual that will be leading the project. Yes, the three projects would have to have been performed by the lead.
