ADDENDUM # 1

Re: Request for Standing Offers T3003-130024

Standing Offer for the environmental audit of airports and ports sites in the Quebec region.

No consideration will be given for extras and/or changes because the tenderer was not familiar with the contents of this Addendum.

A number of questions have been received from potential tenderers about the subject Request for Standing Offers. The purpose of this Addendum to the Request for Standing Offers is to summarize the questions and answers for the information of all potential bidders.

Question #1 :

I wonder if consortia are allowed in this tender.

- **Answer :** Yes and all members of the consortium will be jointly and severally liable for the performance of any contract resulting from any call-up of his offer.

Question #2 : According to our understanding, only the presentation of 12 projects comparable / relevant will be evaluated. It is not necessary to present the methodology and the work team, they are subsequently provided with each order. Is this the case?

- **Answer:** You must present the methodology for the 12 relevant similar projects will be evaluated. The work team is not part of the list of items to include.

The presentation of the projects must namely include:

- Justification of the project's comparability;
- A brief description of the project and its objectives;
- The methodology used;
- The project's duration and value;
- The name of a reference person for whom the work was carried out.

Tenderers are to acknowledge this Addendum by signing in the space provide below and enclosing a copy of this document with their proposal.

All other terms and conditions of the Request for Proposals remain unchanged.
