THIS AMENDMENT IS RAISED TO ANSWER QUESTIONS FROM POTENTIAL BIDDERS AND TO ATTACH ADDENDUM 2.

Question 1: Clause 4.4.2 of Part 1.1 – General Contractors Qualification of Appendix 3 states that the project must have a total value of \$3,500,000.00 or more.

Please clarify if this means (i) that the three (3) projects identified by the general Contractor must have a total value for the 3 projects together of over 3.5 million or (ii) that each of the (3) projects identified must each have a value of over 3.5 million?

Answer 1: Each of the (3) projects identified must each have a value of over 3.5 million.

Question 2: In the drawings, it makes reference to "Phase 2 Perimeter Security Wall Rehabilitation Package (PW)." Specifically, if you look at drawing WS-L101, Drawing Notes, Note 2, it makes reference to such a package. Is this package part of the above mentioned tender? Where are the drawings for Phase 2?

Answer 2: you can find all the drawings and specification pertaining to Phase 2 of the Perimeter wall on <https://buyandsell.gc.ca/procurement-data/tender-notice/PW-FG-340-62941> in the zip file r.008229.016_02.zip. It is all part of the same package.

Question 3: There were two zip files to download off buyandsell (r.008229.016_02.zip and r.008229.016-02_r.011800.015.zip). Both files contain different sets of specifications. Which set of specifications are we to use for pricing the work of this tender?

Answer 3: Please use both sets of specifications to price the tender.

Question 4: Section 06 15 00.01 Wood Decking and Handrails makes reference to the section 05 52 00 Metal Railings, which we are unable to locate. Where is 05 52 00 Metal Railings?

Answer 4: Please see Addendum 2 attached
