

**Part 1            General**

**1.1                PRECEDENCE**

- .1        Division 1 Sections take precedence over technical specification sections in other Divisions of this Project Manual.

**1.2                RELATED SECTIONS**

- .1        Section 01 32 17 - Construction Progress Schedule - Critical Path Method (CPM)
- .2        Section 01 35 55 - Security Requirements Outside the Perimeter
- .3        Section 01 35 56 - Security Requirements Inside the Perimeter
- .4        Section 01 56 00 - Temporary Barriers and Enclosures

**1.3                EXISTING SERVICES ON SITE (DIAL BEFORE YOU DIG)**

- .1        Existing underground gas and electrical services exist in the South-East area of the site, and may occur in or through in the area where 4 Unit Addition is to occur. Find the location of the services, and have them relocated outside the area of construction, to acceptance Departmental Representative.
- .2        Engage and pay for the services of a privately owned locator company to locate the existing gas and electrical services.

**1.4                EXISTING SERVICES TO BUILDING**

- .1        Notify Departmental Representative and utility companies of intended interruption of services and obtain required permission.
- .2        Where Work involves breaking into or connecting to existing services, give Departmental Representative 48 hours of notice for necessary interruption of services throughout course of work. Keep duration of interruptions to a minimum.
- .3        Construct barriers in accordance with Section 01 56 00.

**1.5                ALTERATIONS IN EXISTING INSTITUTION**

- .1        Execute work with least possible interference or disturbance to Institution operations and occupants and normal use of Institution. Arrange with Departmental Representative to facilitate execution of work.

**1.6                BUILDING SMOKING ENVIRONMENT**

- .1        Comply with smoking restrictions. Smoking is not permitted on Institution property.

**1.7 SPECIAL REQUIREMENTS**

- .1 Confine hours of work on site from 07:30 hours to 16:00 hours, local time, Monday through Friday, which is considered a regular working day and week. Arrangements for extended times and hours, or for any work required to be performed on Saturdays, Sundays or statutory holidays is to be pre-arranged in writing with Departmental Representative.
- .2 Submit a schedule in accordance with Section 01 32 17.

**Part 2 Products**
