**Question 1:**

Mandatory's M2 and M3 require submitting Security Certificates with the bid. PWGSC holds all our certificates. Would it be acceptable to just reference our security clearance numbers for the firm and for our proposed resources in lieu of the actual certificate?

**Answer 1:**

Applicable security certificates **MUST** be submitted with the bid(s). Bids submitted without the security certificates, will be deemed non-responsive and will be given no further consideration.

**ALL OTHER TERMS AND CONDITIONS REMAIN UNCHANGED.**
