ADDENDUM # 3

Subject: Request for Proposal T3003-130024
Standing Offer for the environmental audit of airports ans ports sites in the Quebec region

No consideration will be given for extras and/or changes because the tenderer was not familiar with the contents of this Addendum.

The following questions were submitted to Transport Canada on the Statement of Work of the present Request for proposal :

Question 1 : The answer given to the question # 2 in the Addendum #1 on June 27th differs from the Answer 1 in the Addendum #2. In the first case, it is said that the methodology must be presented but in the other, it is said that it is not necessary.
 Answer 1 : For this tender bidders will be evaluated according to the document "EVALUATION PROCEDURES AND BASIS OF SELECTION" show in the display of the tender. The methodology has to be presented but not the work team.

Question 2 : It's said to refer to section 4.2 of the tender, where there are two lines that indicate other metalloids, which does not clear which should be considered.
Answer 2 : This is a mistake, we will remove the word "other metalloids" in section 4.2 under Analysis of groundwater and sediment analyzes.

Question 3 : We expressed interest to PFOA and PFOS that are not perchlorinated compounds. Clarify.
Answer 3 : Within the meaning of the guidelines of Health Canada, PFOA and PFOS would be perchlorinated compounds. We ask for a price for PFOA and PFOS in order to interpret the results in light of the guidelines of Health Canada.

Tenderers are to acknowledge this Addendum by signing in the space provide below and enclosing a copy of this document with their proposal.
