Amendment 001

This amendment is issued to change the start times of the Optional Site Visit & Proponents Conference. As a result, SI5 is amended as follows:

Delete: **SI5 OPTIONAL SITE VISIT AND PROPONENTS CONFERENCE**
 Replace With:

SI5 OPTIONAL SITE VISIT AND PROPONENTS CONFERENCE

It is recommended that the Proponent or a representative of the Proponent visit the work site. Arrangements have been made for a tour of the work site. The site visit will be held on **July 19, 2013 at 08:15 AM, C-Dry Boardroom, Giant Mine Site, Yellowknife NWT.**

A proponents conference will be held after the site visit **at 12:30 PM.** The location of the proponents conference will be provided to registrants once the location has been determined.

The scope of the requirement outlined in the bid solicitation will be reviewed during the conference and questions will be answered. Any questions and answers, clarifications or changes to the proposal solicitation resulting from the proponents' conference will be included as an amendment to the proposal solicitation. It is recommended that proponents who intend to submit a proposal attend or send a representative. Proponents who do not attend or send a representative will not be given an alternative appointment but they will not be precluded from submitting a proposal.

The Pre Design Reports (PDRs) will be provided at the Proponents Conference. The PDRs available for this conference include Baker Creek, Borrow, Tailings and Surface Water Management.

Proponents are requested to communicate with the Contract Authority before the scheduled visit and conference to confirm attendance. Proponents should provide, in writing, to the Contract Authority, the names of the person(s) who will be attending and a list of issues they wish to table at least 5 working days before the scheduled conference.

It is mandatory that all persons attending the site visit have the proper safety footwear (CSA approved green patch) . Hard hats, safety glasses and high visibility vests are also required. Personnel/individuals who do not have the proper safety attire will be denied access to the site. Non-registered proponents may not be allowed on the site.

All travel and living costs associated with travel to Yellowknife for the purpose of attending the Site Visit / Proponents Conference will be borne by the Proponent or their representative.
