Part 7 The Accommodation Directory: includes information relevant to the Accommodation Directory itself.

The Annexes include: Annex A - Submission Form, Annex B - Acceptance Form, Annex C - Identified Users, Annex D - Property Information and Rates, Annex E – Sample Quarterly Report, Annex F – Name(s) of Director(s) or Owner(s) and Annex G – Maximum Foreign Rate Limits.

For the 2014 calendar year, the solicitation for the Accommodation Directory has been divided into two RFSOs. Only one RFSO package is applicable to each offeror. It is the Offeror's responsibility to ensure that it is responding to the correct RFSO. Instructions are provided on page 2, for offerors who may have been sent the incorrect RFSO to obtain the correct package. The two RFSO's are:

- RFSO #E60LP-120002/0003/0004 is the "Regular Markets" package. It is for properties located **OUTSIDE** the boundaries specified on page 2 of this RFSO.
- RFSO #E60LP-120001 is the "Select Markets" package, and is to be completed by Canadian properties located **INSIDE** the boundaries specified on page 2 of this RFSO.

2. Summary

Canada foresees a potential need for accommodation services during the period from January 1, 2014 to December 31, 2014; the Offeror is hereby invited to provide Canada with an offer for guest rooms or similar commercial accommodation as defined in Annex D.

In order to assist our "Identified Users" in renting accommodation in the most economical manner, it is the intention of Canada to:

- (a) Solicit offers from accommodation properties in the form of daily, weekly and monthly rates for a number of different room types;
- (b) Publish the rates that meet the criteria set out in this document in the 2014 Government Accommodation Directory for use by Identified Users on official government business travel authorized by Federal, Provincial, Territorial or other approved government organizations and paid or reimbursed from public funds in accordance with the Travel Directive.

"Identified User" or "Identified Users" includes departments, boards or agencies of the Government of Canada or Crown corporations for whom Public Works and Government Services Canada is authorized to provide services under the Department of Public Works and Government Services Act, and that is listed in "Annex D - Identified Users", attached hereto, during the term of any resulting Standing Offer. These Identified Users include organizations listed at Schedules I, I.1, II, and some at Schedule III of the Financial Administration Act, R.S.C. 1985, c.F-11. Where context warrants such an interpretation, the meaning of the term may also include an employee of an Identified User. Where the Offeror has agreed to make the rates submitted in its offer available to cost-reimbursable contractors, consultants or advisors traveling on official government business in performance of their contracts, the term Identified User(s) may also include such persons.

Employees of Identified Users, when traveling on official government business in the performance of their duties, family members of Government of Canada employees when on posting or transfer status, and cost-reimbursable contractors, consultants or advisors traveling on official government business in performance of their contracts with Identified Users, are frequently required to rent guest rooms or similar commercial accommodation.

Employees of the Provincial and Territorial Governments identified in "Annex C - Identified Users" are also considered as an "Identified User".

The requirement is subject to the provisions of the World Trade Organization Agreement on Government Procurement (WTO-AGP), the Agreement on Internal Trade (AIT) and the Canada-Chile Free Trade Agreement.

3. Debriefings

After issuance of a Standing Offer, offerors may request a debriefing on the results of the Request for Standing Offer. Offerors should make the request to the Standing Offer Authority within fifteen (15) working days of receipt of the results of the Request for Standing Offer process. The debriefing may be in writing, by telephone or in person.

Items identified as "proprietary" will be treated as such except where Canada determines that the enquiry is not of a proprietary nature. Canada may edit the questions or may request that offerors do so, so that the proprietary nature of the question is eliminated, and the enquiry can be answered with copies to all offerors. Enquiries not submitted in a form that can be distributed to all offerors may not be answered by Canada.

4. Applicable Laws

The Standing Offer and any contract resulting from the Standing Offer must be interpreted and governed, and the relations between the parties determined, by the laws in force in Quebec.

PART 4 - EVALUATION PROCEDURES AND BASIS OF SELECTION

1. Evaluation Procedures

Offers will be assessed in accordance with the entire requirement of the Request for Standing Offers, including the technical and financial evaluation criteria.

1.1 Technical Evaluation

1.1.1 Mandatory Technical Criteria

To be considered responsive, an offer must meet all of the mandatory requirements of this RFSO. Offerors that submit proposals that are determined to be non-responsive will receive no further consideration, but will either have their cheque or money order returned or receive a refund, by cheque, for any payments on account of administration and listing fees that have been processed. Chains that submit offers for establishments outside Canada and that are paying the flat fee will not be reimbursed as long as at least one (1) of their establishments is accepted for inclusion in the Directory. In order to receive a refund, the Offeror must provide its Procurement Business Number (see Annex D, section 1, item 1.2).

For properties that are paying their administration and listing fees by cheque or money order, be advised that Canada will not deposit the cheque or money order until after the final approval has been received from the Treasury Board Secretariat to publish the Directory. This approval is usually received mid to late December. **For this reason, each cheque or money order must have a minimum validity period of one hundred eighty (180) days.**

(a) Offerors must ensure that their property is located **OUTSIDE** the geographic zones identified as "**Select Markets**". These zones are described on page 2 of this RFSO. Offerors that do not respond to the correct RFSO will have their offer considered non-responsive and given no further consideration.

Canada reserves the right to conduct site visits during the evaluation process or at any time during the period of the Standing Offer, to verify that the offerors comply with this criterion.

(d) The Offeror agrees to abide by all the terms and conditions listed in the RFSO.

1.2 Financial Evaluation

Offerors are to submit rates that are not in excess of the following maximum rates:

- (i) properties within Canada - \$200 Canadian per night (all room categories)
- (ii) properties within the United States (USA) - \$200 American per night (all room categories);
- (iii) properties outside Canada and the USA – Refer to Annex G – Maximum Foreign Rate Limits.

Please be advised that for establishments located outside Canada and the United States, should the rates submitted be in local currency, they will be converted to Canadian Dollars in order to determine if they are within the maximums specified in Annex G. The exchange rate that will be used will be the noon rate from the Bank of Canada on the closing date of the submissions.

2. Basis of Selection

An offer must comply with the requirements of the Request for Standing Offers and meet all mandatory technical evaluation criteria to be declared responsive. The responsive offer with rates that do not exceed the maximum rates indicated under Part 4, section 1.2, will be recommended for issuance of a Standing Offer.

NOTE: For the Canadian and American offerors recommended for issuance of a Standing Offer, offers will be used to establish a city rate limit for each city and rate period. The city rate limit will be established to list a sufficient number of properties to meet Canada's anticipated needs at a reasonable cost.

PART 5 - CERTIFICATIONS

Offerors must provide the required certifications and documentation to be issued a standing offer.

The certifications provided by offerors to Canada are subject to verification by Canada at all times. Canada will declare an offer non-responsive, will have the right to set-aside a standing offer, or will declare a contractor in default, if any certification is found to be untrue whether during the offer evaluation period, during the Standing Offer period, or during the contract period.

The Standing Offer Authority will have the right to ask for additional information to verify the Offeror's certifications. Failure to comply with this request will also render the Offer non-responsive or may result in the setting aside of the Standing Offer or will constitute a default under the Contract.

1. **Mandatory Certification Precedent to Issuance of a Standing Offer**

1.1 Code of Conduct and Certifications - Related documentation

By submitting an offer, the Offeror certifies that the Offeror and its affiliates are in compliance with the provisions as stated in Section 01 Code of Conduct and Certifications - Offer of Standard Instructions 2006. The related documentation therein required will assist Canada in confirming that the certifications are true.

Please complete Annex F – Name(s) of Director(s) or Owner(s).

1.2 Federal Contractors Program for Employment Equity - Standing Offer Certification

By submitting an offer, the Offeror certifies that the Offeror, and any of the Offeror's members if the Offeror is a Joint Venture, is not named on the Federal Contractors Program (FCP) for employment equity "FCP Limited Eligibility to Bid" list (http://www.labour.gc.ca/eng/standards_equity/eq/emp/fcp/list/inelig.shtml) available from HRSDC-Labour's website.

Canada will have the right to declare an offer non-responsive, or to set-aside a Standing Offer, if the Offeror, or any member of the Offeror if the Offeror is a Joint Venture, appears on the "FCP Limited Eligibility to Bid" list at the time of issuing of a Standing Offer or during the period of the Standing Offer.

10. Certifications

10.1 Compliance

Compliance with the certifications and related documentation provided by the Offeror is a condition of authorization of the Standing Offer and subject to verification by Canada during the term of the Standing Offer and of any resulting contract that would continue beyond the period of the Standing Offer. In the event that the Offeror does not comply with any certification, provide the related documentation or if it is determined that any certification made by the Offeror in its offer is untrue, whether made knowingly or unknowingly, Canada has the right to terminate any resulting contract for default and set aside the Standing Offer.

10.2 Federal Contractors Program for Employment Equity - Setting aside

The Offeror understands and agrees that, when an Agreement to Implement Employment Equity (AIEE) exists between the Offeror and HRSDC-Labour, the AIEE must remain valid during the entire period of the Standing Offer. 12. Disclosure of Information

In the event of a resulting Standing Offer, the Offeror agrees to the disclosure of its unit prices, property data and services by Canada, which will include posting them in the Accommodation Directory on the Internet, and further agrees that it will have no right of claim against Canada, the Minister, the Identified User, their employees, agents or servants, or any of them, in relation to such disclosure.

13. Non-assignable

The Standing Offer cannot be assigned or transferred in whole or in part.

14. Last Room Availability (Canadian Properties Only)

Offerors must be able to provide accommodation on a "Last Room Availability" basis. Reservations must be accepted for any available room of the same room type for which rates have been offered. Rooms considered superior in quality, size or location (for example: Harbour View vs. City View) are not to be excluded. Similarly, separate rates will not be accepted for hotel and motel facilities that are part of the same property.

15. Statutory Holidays and Weekends

Rates will not be subject to increase at any time, such as weekends, statutory holidays or during events of a local nature such as area fairs.

16. Blackout Days (Canadian Properties Only)

Offerors will be permitted up to a maximum of seven (7) days per year of their choice during which they will not be obligated to provide the rates offered in the Standing Offer.

17. Rate Adjustments

Rates offered for the 2014 Accommodation Directory are considered maximum rates. Preferred suppliers that have been awarded a Standing Offer will have the option to reduce their rate offering during the course of calendar year 2014 as follows:

- a) Provide rates **no later than January 17, 2014** for the months of **February and March 2014**, which are lower than the maximum rates offered in the original offer at the bid closing date.
- b) Provide rates **no later than February 14, 2014** for the months of **April, May and June 2014**, which are lower than the maximum rates offered in the original offer at the bid closing date.
- c) Provide rates **no later May 16, 2014** for the months of **July, August and September 2014**, which are lower than the maximum rates offered in the original offer at the bid closing date.
- d) Provide rates **no later than August 15, 2014** for the months of **October, November and December 2014**, which are lower than the maximum rates offered in the original offer at the bid closing date.

Preferred suppliers must provide their rate changes as described above **in writing** to Rachelle McIntyre, via fax at 819-956-4944 or by email to the following address: rachelle.mcintyre@tpsgc-pwgsc.gc.ca

Under no circumstances will any rate changes be accepted other than what is specified above.

Also, PWGSC will not send an acknowledgement of receipt unless clarifications are required regarding the rate change request.

Should a supplier lower its offering for a specific month, all existing reservations made prior to the rate modification must be adjusted to reflect the new lower rate offering. Should an Identified User be charged the inaccurate rate, this will be considered as an overcharge and the supplier will be obligated to credit the Identified User for the overcharge immediately.

18. Blocks of Rooms (ten (10) or more rooms)

Offerors are not obligated to abide by the Terms and Conditions of this Standing Offer when an Identified User is participating in a conference/meeting/event for which a **block of ten (10) or more rooms** has been set aside or is being requested.

19. Non-smoking and Smoking Rooms

Rates offered for any given room types are applicable for both non-smoking and smoking rooms. The Offeror cannot charge an additional fee based on the non-smoking/smoking preference of the employee/traveller.

B. RESULTING CONTRACT CLAUSES

1. Statement of Requirement

The Contractor must provide the services detailed in the call-up against the Standing Offer.

5. Payment

5.1 Method of Payment

Upon arrival at the accommodation establishment, the establishment will request an authorization from the credit card issuer used by the Identified User to ensure funds are available. Consequently, the credit card issuer will reduce the credit available by the amount authorized, that should be proportional to the length of stay, and the authorized amount will then be removed once the Identified User pays the final invoice and the accommodation establishment settles the transaction with the credit card issuer. The above process is not considered as a deposit or advance payment and is considered common industry practice.

Payments will be made upon checkout. If an Identified User has been charged with a rate that is not in accordance with the Standing Offer, the establishment must promptly refund any payment in excess of the rates quoted in the Standing Offer to the Identified User.

Upon checkout, an invoice must be submitted to the Identified User. The payment may be made by the Government of Canada Individual Designated Travel Card (IDTC), a Departmental Travel Expense Card (DTEC), a personal credit card, a debit card (Interac) or by any other means accepted by the establishment.

5.2 Basis of Payment and Overcharges

In consideration of being listed in the Government of Canada Accommodation Directory, the Contractor agrees to charge no more than the rate(s) quoted for the type(s) of accommodation indicated, in accordance with the terms and conditions listed herein.

The Contractor understands that the rates charged to the Identified User will be verified after payment and agrees to promptly refund the Identified User any payment made in excess of the rates quoted in the Standing Offer. As such, and following PWGSCs own internal guidelines for response time, Offerors are required to provide a response to overcharge requests within five (5) business days.

The Contractor agrees not to use the name of Public Works and Government Services Canada in any type of advertising media for promotion of its services. The Contractor further agrees not to advertise or to promote "Government of Canada rates" where rates submitted have not been accepted or not submitted for the 2014 Accommodation Directory.

The Contractor understands and agrees that failure to honour the rates, terms and conditions for the period of the Standing Offer may result in the removal of its establishment from the 2014 Accommodation Directory.

6. Deposits and Room Charges

6.1 Deposits or any other charges must not be debited from the Identified User's credit card until the User actually checks-out, unless the user has made a guaranteed reservation for late arrival.

6.2 If an Identified User cancels any reservation, including a guaranteed late arrival, prior to 4:00PM (local time of the accommodation establishment) of the guaranteed check-in date, the Identified User will not be charged, by debit to their credit card, or any other manner.

6.3 If an Identified User makes a guaranteed reservation for late arrival and does not check in and does not cancel prior to 4:00 PM (local time of the accommodation establishment) of the guaranteed check-in date, the Identified User's credit card may be debited at that time, but for no more than one night's stay at the government rate.

6.4 If an Identified User does not stay because the accommodation was not safe, clean or comfortable, the Identified User's credit card must not be debited for deposits or any other charges. It is a mandatory requirement of this Standing Offer that the accommodation provided be safe, clean and comfortable. Should the Identified User complain that a property does not meet this minimum mandatory requirement, Canada reserves the right to remove the offending property from the Directory.

6.5 Should an Identified User not stay for the full length of time they reserved, the Identified User must be charged no more than the government rate times the number of nights actually stayed. Deposits or other charges will not be debited to the Identified User's credit card for early departure.

7. Safe, Clean and Comfortable

As a minimum, rates must be for the provision of safe, clean and comfortable accommodation.

8. Reservations

8.1 All confirmed reservations will be honoured. In the event that a room of the type reserved is not available at time of arrival, the property will provide an upgraded room at no additional cost. Should Canada receive a complaint from an Identified User that a property does not meet this requirement, Canada reserves the right to remove the offending property from the Directory.

8.2 Properties may, but are not obligated to, hold a room beyond 4:00 PM (local time of the accommodation establishment) of the reserved check-in date, unless the Identified User has made a guaranteed reservation for late arrival.

9. Loyalty Programs

Employees of the Government of Canada may join loyalty programs. However, employees will not be reimbursed should there be costs, over and above the room rates, to join loyalty programs.

PART 7 - THE ACCOMMODATION DIRECTORY

1. Directory Format

1.1 The Government Accommodation Directory is comprised of three sub-directories: Canada, USA and Other Countries. Each sub-directory contains an alphabetic index of cities for which there are accommodation listings.

1.2 In the Canadian and USA sub-directories, the accommodation listing for each city is divided into two sections: Accommodations within city rate limit and Accommodations above city rate limit, when applicable.

The listings in the section entitled "within city rate limit" are considered to be the standard of accommodation to be provided to the Identified Users.

1.3 Both sections of the accommodations listing for each city, are further divided into sections by room type: guest room, bachelor/studio with kitchen and one bedroom suite with or without kitchen. The information for each room type is listed in ascending order by room rate.

1.4 From the Accommodation listings for each city, government employees/travellers are able to select an establishment and then review that establishment's specific information on a separate page. The establishment information page includes the establishment's services, address, telephone numbers, fax number, e-mail address, web site address and the rates by period, room type and occupancy.

1.5 Each listing in the Directory contains a link to Google™ Maps.

1.6 The sub-directory for Other Countries is the same format as the Canadian and American sub-directories except that there are no "within city rate limit" and "above city rate limit" sections.

1.7 The Directory also identifies properties that have an environmental rating through either the Green Leaf or Green Key Programs. Employees are able to sort their search by environmental rating.

2. Distribution of the Directory

2.1 The Government Accommodation Directory is distributed electronically on the Internet at the following web site: <http://rehelv-acrd.tpsgc-pwgsc.gc.ca/index-eng.aspx>

2.2 An automated booking tool is available to government employees to help them make their reservations. We encourage you to make your establishment's rates accessible to government employees using this online reservation service. To do so, please submit your room rates with the cancellation policy negotiated with GOC to Sabre, the Global Distribution System (GDS) utilized by the booking tool to search and display rates, using the rate code "GOC" to identify Government of Canada rates. Following are the required pseudo city codes:

- AMEX - Z1C0 (Sabre)
- Carlson Wagonlit - H120 and 22LO (Sabre)
- HRG Canada - B3W1 (Sabre)
- Yukon Government Travel - 27LL (Apollo)

Establishments that do not currently list the GC rates in the GDS or wish to obtain more information on the Sabre GDS can contact Sabre at (682) 605-6700 or by e-mail at hotel.eservices@sabre.com.

3. Customer Complaints

The Accommodation and Car Rental Program, Government Travel Client Services, Canada will investigate complaints referred to them by the Identified Users. Canada reserves the right to conduct site visits of the offending property. Canada also reserves the right to remove the offending property's listing from the directory should they fail to take the appropriate corrective action or fail to adhere to the terms and conditions of the Standing Offer.

4. Mailing List

4.1 The Travel Procurement Services Division of Public Work and Government Services Canada maintains a source list of suppliers of guest rooms and similar commercial accommodation in Canada, the USA and other countries around the world. Each year, an RFSO to provide room rates for the Accommodation Directory for Government employees/travellers is mailed to each supplier on the source list.

4.2 The source list will be purged of suppliers who have not responded to the RFSO for any of the last three (3) years.

4.3 Notices advertising the existence of the source list and the proposed procurement of accommodation rates are advertised on the Government Electronic Tendering Service (GETS). Suppliers may submit a written request to the Standing Offer Authority to be added to the source list at any time.

The program provides a green key designation reflecting the following criteria for each rating level:

An action plan focusing on resource conservation and waste minimization has been established, and is supported by a firm commitment to continual improvement.

- d) Provide rates **no later than August 15, 2014** for the months of **October, November and December 2014**, which are lower than the maximum rates offered in the original offer at the bid closing date.

Preferred suppliers must provide their rate changes as described above **in writing** to Rachelle McIntyre, via fax at 819-956-4944 or by email to the following address: rachelle.mcintyre@tpsgc-pwgsc.gc.ca

Under no circumstances will any rate changes be accepted other than what is specified above.

Should a supplier lower its offering for a specific month, all existing reservations made prior to the rate modification must be adjusted to reflect the new lower rate offering. Should an Identified User be charged the inaccurate rate, this will be considered as an overcharge and the supplier will be obligated to credit the Identified User for the overcharge immediately.

(b) Weekly and monthly rates

Weekly and monthly rates are to be indicated as total amounts for the week or the month, not as amounts per day.

- Weekly rates are to be calculated on a 7 day period (Total amount for all 7 days).
- Monthly rates are to be calculated on the basis of the first day to the last day of the month (Total amount for the entire month).

Offerors submitting weekly or monthly rates as amounts per day will see these rates rejected by PWGSC.

(c) Non-commissionable Rates

The rates quoted are to be non-commissionable. Rates are free of the normal commission paid to travel agents for booking reservations. Any other fees or costs incurred by the establishment pertaining to such reservations are outside the terms of this Request for Standing Offer.

3.3 Currency

Canadian properties must quote in Canadian dollars.

3.4 Cost Reimbursable Contractors and Other Travelers

Some offerors agree to extend their government rates to cost reimbursable contractors, consultants or advisors working under contract to an Identified User and traveling on official government business in performance of that contract. Identified users are advised to provide cost reimbursable contractors, consultants or advisors with a letter, specifying the duration of their contract or specifying that they are on travel status on behalf of the government and their destination. Unless such identification is provided, such travelers may not be eligible to receive government rates listed in the Directory. Accommodation properties that have agreed to extend their rates to cost reimbursable contractors, consultants or advisors will have this information displayed in the Directory.

3.5 Taxes and Service Fees

(a) The rates include all taxes except: PST, GST, HST, Municipal Room Tax (although it is usually amalgamated to the PST), and Occupancy taxes or Destination Marketing Fees charged in various tourist regions. Federal government employees are required to pay these taxes for meals and accommodation directly to the suppliers of such services. Provincial sales tax exemption numbers must not be quoted for these purchases.

(b) For establishments located in the United States, the rates include all taxes except the State Sales Tax and the Occupancy Tax, if applicable.

(c) For establishments located in countries other than Canada and the United States, taxes and service fees may or may not be included in the rates.
