Request For Proposal (RFP) documents will be e-mailed directly, from the contracting officer, to the Qualified Supply Arrangement Holders who are being invited to bid on this requirement.  
BIDDERS ARE ADVISED THAT BUY AND SELL IS NOT RESPONSIBLE FOR THE DISTRIBUTION OF RFP DOCUMENTS.

Location of work to be performed: National Capital Region (NCR)

Security Requirement:

**Security Requirement for Canadian Supplier:**

1. The Contractor must, at all times during the performance of the Contract/SO/SA, hold a valid Designated Organization Screening (DOS) with approved Document Safeguarding at the level of **PROTECTED B**, issued by the Canadian and International Industrial Security Directorate, Public Works and Government Services Canada and/or CBSA Security and Professional Standards Directorate.
2. The Contractor personnel requiring access to PROTECTED information, assets or work site(s) must EACH hold a valid RELIABILITY STATUS, granted or approved by the Canadian and International Industrial Security Directorate (CIISD), Public Works and Government Services Canada (PWGSC) and/or CBSA, which includes a credit check.
3. The Contractor MUST NOT utilize its Information Technology Systems to electronically process, produce or store PROTECTED information until CIISD/PWGSC and/or CBSA Security and Professional Standards Directorate has issued written approval. After approval has been granted or approved, these tasks may be performed at the level of **PROTECTED B**.
4. Subcontracts which contain security requirements are NOT to be awarded without the prior written permission of CIISD/PWGSC and/or CBSA.
5. The Contractor must comply with the provisions of the:
  - a. Security Requirements Check List described in Annex C; and
  - b. Industrial Security Manual (Latest Edition).

Inquiries regarding this RFP requirement are to be submitted to the Contracting Authority listed below:

File Number: 1000315901

Canada Border Services Agency (CBSA), Information, Science and Technology Branch (ISTB) requires services in the Business Consulting / Change Management Services Class and the Project Management Services Class Canada to establish a contract for an independent due diligence review of its Science and Engineering (S&E) Program, for a period of four months.

The Contractor must provide a minimum of one of each of the following resources as part of the team:

- Business Analyst;

- Business Consultant; and
- Financial Specialist.

Documents may be submitted in either official language of Canada.

The Task and Solutions Based Professional Services (TSPS) Method of Supply is a result of a formal competitive process which was established as a result of extensive consultations with industry. The Method of Supply provides suppliers with an on-going opportunity to become prequalified for participation in future bidding opportunities. To obtain more information about how to become a pre-qualified supplier for TSPS, please review the Request for Supply Arrangement (RFSA) permanent posting that is currently available on the Government Electronic Tendering System ([www.buyandsell.gc.ca](http://www.buyandsell.gc.ca)) which is accessible by referencing the following Solicitation Number(s): E60ZN-090003/C.

For general information on the various PWGSC Methods of Supply, or to obtain specific information on a PWGSC professional service method of supply, please visit PWGSC's Buy and Sell website at: <https://buyandsell.gc.ca/for-businesses/register-as-a-supplier/register-formethods-of-supply#10>
