This Solicitation Amendment number 001 is raised to respond to two bidder questions presented below:

Bidder Question 1: Does our company need to have a General Contractor license or any other license to submit our bid on this?

Response to Question 1: There is no request in this document to provide proof of any type of license. Please refer to Part 3.3 for the list of mandatory requirements.

Bidder Question 2: I was wondering if any architectural firm has been selected for this project yet and if so then to whom?

Response to Question 2: Selection of an architectural firm is currently underway (refer to GETS solicitation number EP764-140495/A). The intention is that the award the contract for architectural services will coincide with award of contract for Construction Manager Services.
