The purpose of amendment no. 004 is to extend the closing for the Draft RFP. The purpose of this extension is to retain a vehicle on GETS to provide answers to questions from Industry Day.

Questions and Comments will continue to be accepted by the Contracting Authority up to 23 August 2013, responses to questions and comments may be posted to GETS for public consumption up until the new closing date of 30 August 2013.

Due to overwhelming responses to Industry Day, and requests for One-on-One sessions, the 2nd of August is being used for overflow of the One-on-One sessions. Because of the addition of the extra day, those who require more time for their sessions will be allotted time at the end of scheduled sessions on the second day. Those who have travel plans that cannot be changed to accommodate the schedule below are requested to contact the Contracting Authority directly, and every effort will be made to place them into the first day.
