## SI11 Tlicho Agreement (2003)

The requirements of the **Tlicho Land Claims and Self-Government Agreement**

<http://mvlwb.com/files/2011/07/Tlicho-Agreement.pdf> will apply to the proposed procurement. Bidders are therefore requested to maximize aboriginal employment, subcontracting and on-the-job training opportunities, and involve local, regional and Aboriginal citizens and businesses, in carrying out the work under this project. The benefits that apply to this procurement are contained in: Chapter 26, of the Tlicho Land Claims and Self-Government Agreement.

In compliance with the requirements of Chapter 26 - Economic Measures, of the Tlicho Land Claims and Self-Government Agreement, the following conditions shall apply in the award of any Contract resulting from this solicitation:

## Contractor Selection

Any contract resulting from this solicitation will be awarded to the responsive bidder whose total assessed bid price is the lowest. In order to be considered responsive, a bid must satisfy all mandatory terms, conditions, and specifications of this solicitation document. The total assessed bid price will be used for evaluation purposes only and will be calculated by reducing the total actual bid price by a percentage equal to the total number of points assigned through evaluation of the bid in accordance with the Tlicho Agreement.

## Tlicho Bid Criteria

For the portion of the work specifically undertaken in the Mōwhì Gogha Dè Nīṭāèè (NWT) area as defined in the Tlicho Land Claims and Self-Government Agreement, bids will be evaluated and allocated a range of points in accordance with the degree to which the Bidder's proposed method of carrying out the work meets the objectives of the following criteria.

In this requirement "Tlicho Representations" will allow for up to a maximum of 10% downward adjustment to a proponent's price, for evaluation purposes only, in accordance with the following Bid Criteria. This provides for socioeconomic benefits in the region.

BID CRITERIA	TOTAL AVAILABLE POINTS
(a) The existence of head offices, administrative offices or other facilities in Mōwhì Gogha Dè Nīṭāèè (NWT).	2 Points
(b) The employment of Tlicho First Nation labour, engagement of Tlicho First Nation professional services, or use of Tlicho suppliers/Tlicho which can act as sub-contractors in assisting with the carrying out of the contract.	5 Points
(c) the undertaking of commitments, under the contract, with respect to on-the-job training or skills development for Tlicho Citizens.	3 Points
<b>TOTAL POSSIBLE POINTS</b>	<b>10 Points</b>

For purposes of interpretation:

"Tlicho supplier" means an entity which complies with the legal requirements to carry on a business in the Northwest Territories and which is a limited company that can demonstrate that more than 50% of the company's voting shares beneficially owned and controlled by Tlicho Citizens, or is a cooperative controlled by Tlicho Citizens, or is a Tlicho Citizens' sole proprietorship or partnership.

"Tlicho Citizen" and "Tlicho First Nation" are as defined in Chapter 1 (Interpretation) of the Tlicho Land Claims and Self-Government Agreement.

"deliveries to" means "goods delivered to, and services performed in".

## Evaluation and Assessment - Submission Requirements

In order for a bid to be assigned points for representations made in respect of any criterion (hereinafter collectively referred to as the "Tlicho Representations"), appropriately documented evidence of conformance with the stated objective of the criterion must be provided with the tender submission.

The Minister reserves the right to verify any information provided in the "Tlicho Representations" and that untrue statements may result in the tender being declared non-responsive.

## Treatment of Representations and Warranties

The Bidder acknowledges that:

- a) the Minister relies upon the "Tlicho Representations" to evaluate bids; and
- b) the "Tlicho Representations" shall become covenants under any contract(s) resulting from this solicitation.

## Contracting Policy Notice 2006-4

### 26.3 Government Employment and Contracts

26.3.1 Where government carries out public activities wholly or partly in Mòwì Gogha Dè Nìtáàè (NWT) which give rise to employment or other economic opportunities and government elects to enter into contracts with respect to those activities,

- (a) the Government of Canada shall follow its contracting procedures and approaches intended to maximize local, regional and Aboriginal employment and business opportunities, including the provision of opportunities for potential contractors to become familiar with bidding systems; and
- (b) the Government of the Northwest Territories shall follow its preferential contracting policies, procedures and approaches intended to maximize local, regional and northern employment and business opportunities.
