

The floor plan shows the second floor with the following areas and tasks:

- Dining/Living:** A large open area at the top of the plan.
- Kitchen:** Located on the left side, containing a stove, refrigerator (REF.), and sink. A task label "DUCT RISERS" points to the wall between the kitchen and the hallway.
- Hallway:** A central corridor connecting the kitchen, laundry, and entrance.
- Laundry:** Located at the bottom right of the hallway, containing a washer (W). A task label "ELECTRICAL PANEL INSTALL NEW CIRCUIT FOR VENTILATION SYSTEM*" points to the wall.
- Washroom:** Located at the top right of the hallway, containing a toilet and sink. A task label "REMOVE TRANSFER DUCT, PATCH SUB-FLOOR, UNDERLAY AND FINISH FLOOR" points to the wall.
- Entrance:** Located at the bottom left, with stairs labeled "DN" (down) leading out.
- Stairs:** A set of stairs labeled "UP" is located at the top right of the hallway.
- Other Features:** "FLOOR REGISTERS" are indicated at the top of the plan. A "Closet" is located at the bottom right, adjacent to the laundry.

PLYWOOD FOR PANEL AND INSULATION ASSEMBLY WILL BE PROVIDED TO CONTRACTOR
