THIS AMENDMENT #001 IS RAISED TO ANSWER QUESTIONS FROM THE INDUSTRY

Q1. R6 – Would the crown consider removing this requirement from the point rated Or changing it so the valuation is worth only 5 points vs. 10points and the number of extra years above M5 for full points changed to the following:

0-1 year = 2 points

1-2 years = 3 points

2-3 years = 5 points

The reason for the request is PSCD was added to Sap in release 4.71 which was released in 2003 and FICA shortly before, not to mention when it might have been installed for the first time to give consultants local to Canada experience with it. Most consultants in the industry will not have 11 years' experience with these modules (Which you need to get full points), most have 6-8.

A1. The Crown will not consider changing this requirement.

Q2. R8 – Would the crown considering excepting a FICO certification along with a PSCD and or FICA SAP Course in substitution of a PSCD certification.

A2. The Crown will not consider changing this requirement.

Q3 R7 – Would the crown consider changing this requirement so that FICA and PSCD implementation experience is excepted not just PSCD?

A3. The Crown will not consider changing this requirement.

Q4. Would the client accept proposed resources who hold Security Clearances from the United States?

A4. Yes
