**CSPS-RFP-1314-EB009**

Question: We would like an extension of a week to answer this RFP (as it was posted on Aug. 12). 5 working days on a proposal of this size is below standard time, particularly this time of the year when resources are hard to reach (holidays)

Answer: Due to time restraint, CSPS will allow an extension up to August 22, 2013 at 2pm ET
