AMENDMENT #002

change the closing date as follows:

Refer: Closing Date/Time

Delete: In its Entirety

Insert: Closing Date/Time

Solicitation closes at - 02:00 PM, 27 August 2013

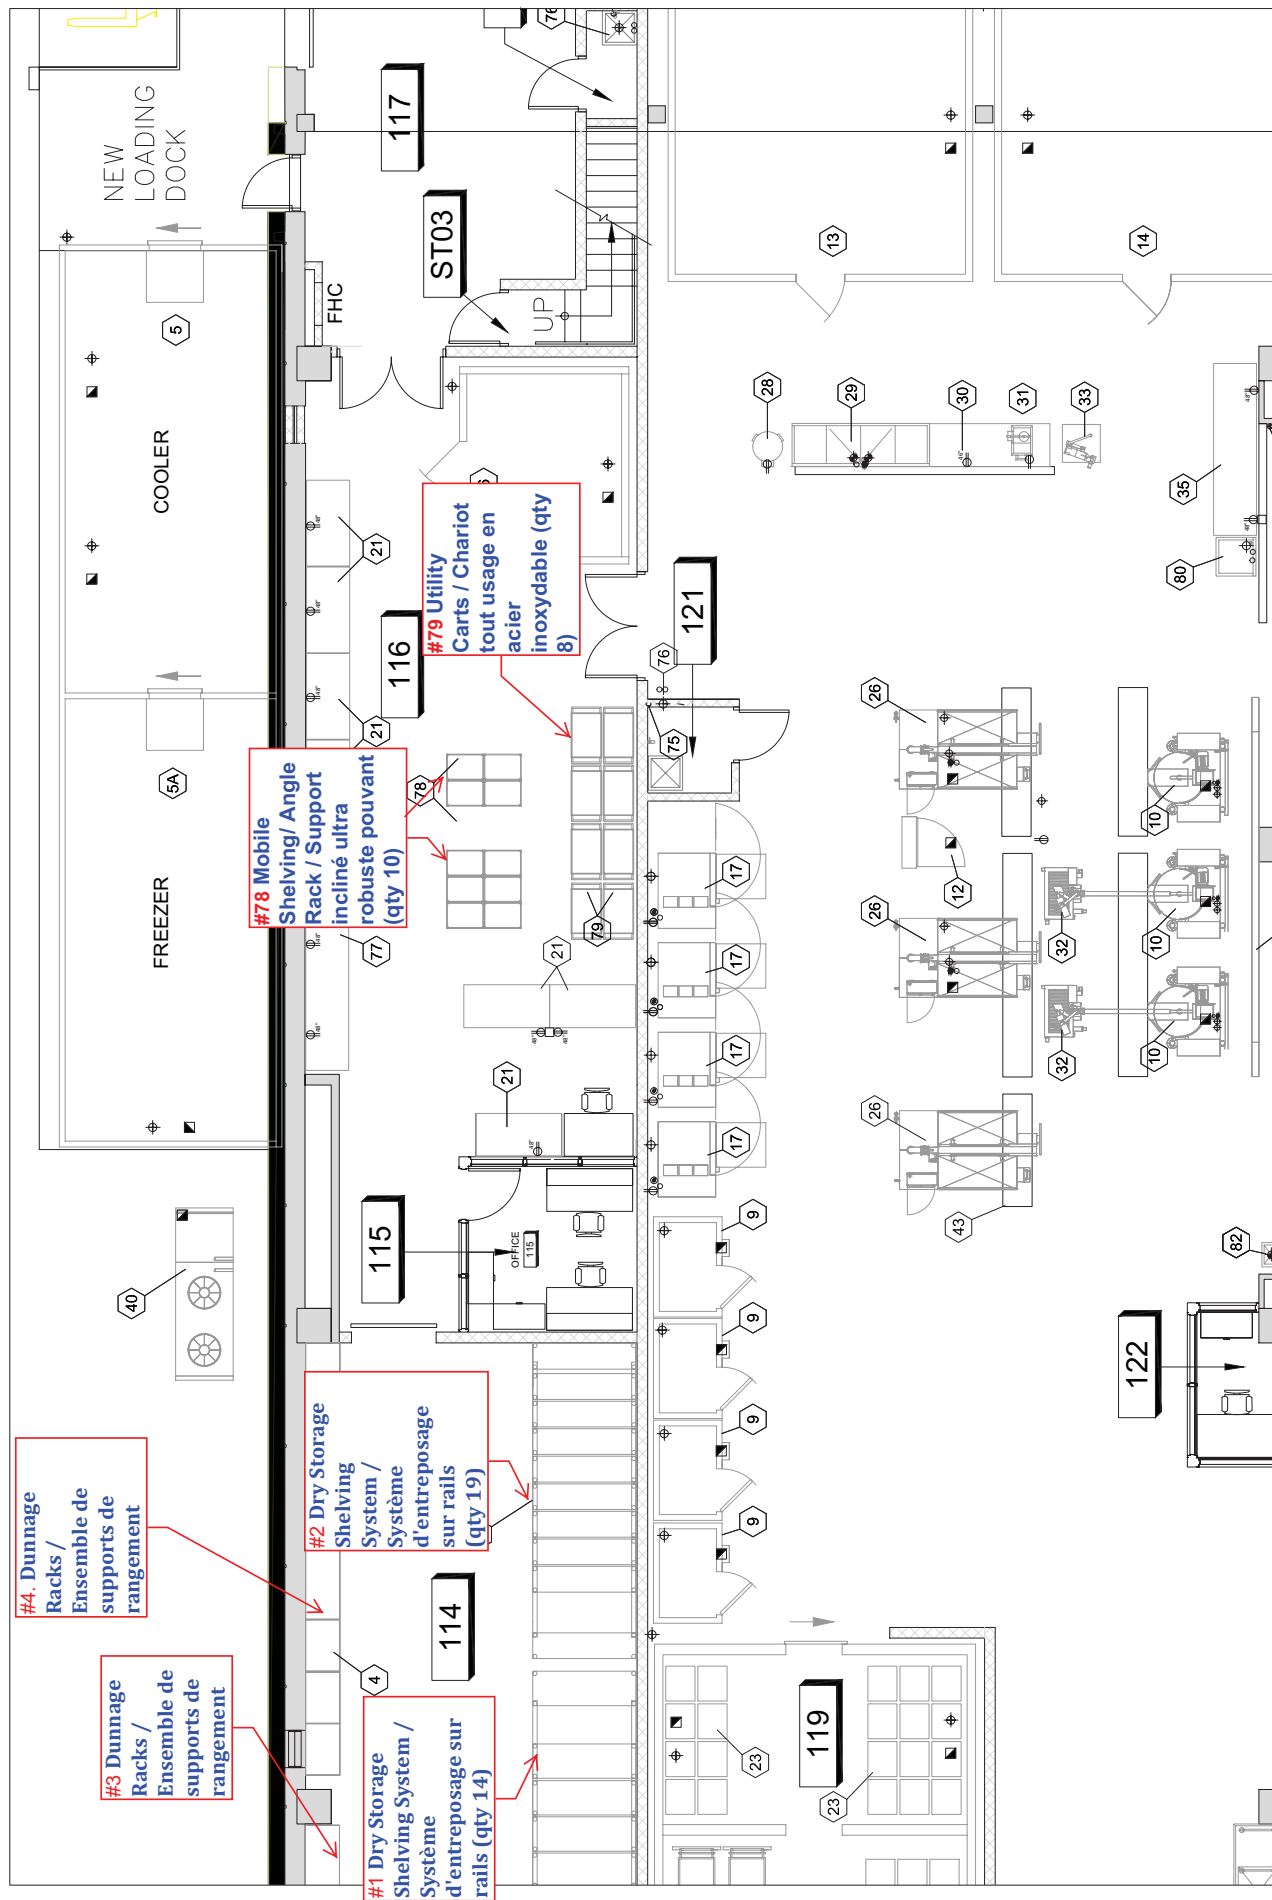

The intent of this amendment is to answer a potential bidder's question and add drawings.

Q1. In reviewing the above referenced RFP for SHELVING, we note that there are no drawings included which outline the overall room dimensions, door locations etc...and the proposed layout required for the high density shelving systems.

The spec as written does not appear to give any detail on the system length or the information necessary in order to prepare and submit an accurate quotation to you.

We would appreciate scale drawings of the rooms to be furnished with layout and configuration of shelving required, so that we may be able to give an accurate quote.

A1. Please find attached the requested drawings.

Architectural floor plan of a building section, oriented vertically. The plan shows a central corridor (1235) flanked by rooms 1234, 1236, and 1237. To the right is room 1242 with a semi-circular bay window. To the left is a large room with a curved wall and multiple windows. Dimensions are provided for various elements: room widths (2400, 2070, 286), corridor width (2400), and overall section width (7677, 6506, 14183). A grid system is indicated by circles 2, 3, 4, and 5 on the right side. A 'FRENCH CENTERLINE' is marked on the left. Other labels include 'FFD', 'RW', 'WALLS AND DOOR', and '1238'.
